"Biltwel" Furniture—Ready-to-Cover : Specials in Rich Upholstering

The Urlaub Import Company of New York Closes Out Its Entire Stock of Wonderful Chinese Rugs—to Gimbels—at Savings of a Full Third

—and the Urlaub Company has been famous for over thirty years for Chinese rugs of exceptional grades, wonderful designs—and such glorious colorings as made them in demand with interior decorators of exquisite taste.

The Purchase Amounted to \$100,000 and Includes Every Known Size Rug

From the tiny, perfect rugs—square or oblong—you tuck into a doorway, or before a window seat, or to stand a slipper-stool upon—up to rugs big enough to fit a big, big room.

Besides the Rare Old, Typical Chinese Blues—and Golds—and Pinks—

are new beauties of coloring—as typically Chinese, but utterly different—deep, glowing ruby-reds, fawn-tans that fairly "dapple" under a light! New blues—and new golds—and a deeper pink that is almost a coral—and a rich bronze that fairly shines!

Designs? You Recognize the Famous World-Old "Symbols"

The "bats of prosperity"; the "peach of prosperity"; the "butterfly," into which the gods translated a devoted wife; the "golden carp"—emblem of longevity; the dragon—sign of the old Empire; vase designs—and wonderful urn shapes—and the strange, involved, beautiful medallions unlike any other symbolism the world over!
