Athletic Leader Opens Season
by Signing Brazil, Formerly
of the Dodgers

Trank Brazil was with the Brooklyn club last spring in Jacksonville and did well in the early workouts. He played first and second base, but after Konetchy signed and Schmandt recovered from spiking himself, he was sent to Hartford where he led the league in hitting. From Hartford he wandered up to Winnipeg and continued to wallop the ball in fine style.

All of which means that Connie has a new face to introduce to the fans next season, provided the new face blends with the infield scenery after a session in the training camp. The A's have been looking for a third sacker since
