"I Wouldn't Go Through Another Winter Without it"

Keep the Heat Under the Hood—
Keep the Cold Out
The only motorist who doesn't need a Wohlfeld Hood and Radiator Cover is the man who puts his car in winter storage. To all others the Wohlfeld Cover is not a luxury, but an everyday common-sense necessity.
Saves gasoline, prevents cracked radiators, insures a quick get-away the coldest day and makes priming unnecessary. The adjustable flap is raised when car is in motion and lowered to fit snugly over radiator when car is standing.
Made of the best materials, with perfect fit for all cars and trucks. Tell your dealer you must have "Wohlfeld's," the original hood cover, or call
