CONNIE MACK GETS NEW THIRD SACKER

Athletic Leader Opens Season by Signing Brazil, Formerly of the Dodgers

Connie Mack officially opened the 1920 baseball season today when he dropped a nickel in the phone slot and called up the sports department.

"Get a new player," said Connie. "Get him from Charley Ebbetts today. Name is Brazil and he plays third base. It's all of which means that Connie has a new face to introduce to the fans next season, provided the new face blends with the infield scenery after a session in the training camp. The A's have been looking for a third sacker since

Frank Baker started to retire five years ago, and some day hopes to find one. Brazil will be the seventy-ninth candidate for the job.

Frank Brazil was with the Brooklyn club last spring in Jacksonville and did well in the early workouts. He played first and second base, but after Ketchy signed and Schmidt recovered from spiking himself, he was sent to Hartford, where he led the league in hitting. From Hartford he wandered up to Winnipeg and continued to wallop the ball in his style.

He is a youngster and lives in Franklin, Pa.

HARVARD TRIP UNDECIDED

Athletic Committee to Take Action on Pasadena Game Today

Cambridge, Mass., Dec. 3.—Whether Harvard University would accept the invitation to have its football team play at Pasadena, Calif., New Year's Day was still undecided today. Dean Le Baron R. Briggs, chairman of the committee on athletics, said that he would place the matter again before the full committee late today.

Objections to the trip developed among the faculty, it was learned, because of a request for a two days' extension of the Christmas holiday and the interruption to studies likely to be caused by football practice prior to the team's departure.

RODGERS WON'T "PRO"

W. Virginia Captain Refuses Fabulous Offers to Play on Ohio Teams

Morgantown, W. Va., Dec. 3.—Captain Ira E. Rodgers, West Virginia's star fullback, considered a sure all-American selection, will not play professional football, although he is through as a college athlete. He has received fabulous offers from the Ohio professional eleven.

The teams were after Rodgers all through the season just closed. Rodgers is a star baseball player, too, and has been tendered contracts by the Phillies, New York Giants and Cincinnati, but will not accept any of these, as he is majoring in chemistry, and when he finishes here has flattering opportunities in his chosen work.
