

GIUSTA PROTESTA DELL'ONOR. NITTI

Il Presidente del Consiglio Smentisce le Voci Allarmanti Riguardo l'Italia

Published and Distributed Under PERMIT NO. 241 Authorized by the act of October 3, 1917, on file in the Postoffice at Philadelphia, Pa. A. C. HIRSHBERG, Postmaster General.

Roma, 8 dicembre.—L'assicurazione che il pericolo di una rivoluzione non sovrasta l'Italia fu espressa dall'on. Nitti alla Camera dei Deputati, oggi, mentre si discuteva la risposta al discorso della Corona.

«Io protesto—egli ha detto—contro la campagna all'estero tendente a rappresentare l'Italia alla vigilia di una rivoluzione. Le condizioni relative al fronte pubblico non sono differenti da quelle che prevalgono nelle principali nazioni d'Europa. Tutte le necessarie misure sono state prese dal Governo.»

L'on. Nitti ha poi dichiarato al Consiglio dei Ministri che gli sentiti tra le truppe di Gabriele D'Annunzio e di staccamenti jugoslavi sono senza importanza e liberi da qualsiasi complicazione.

L'on. Nitti chiederà all'Inghilterra una pronta soluzione sulla questione Adriatica, ed all'uomo il Ministro per

gli Affari Esteri, On. Scelasio, si è recato a Londra per conferire con Lloyd George.

Roma, 8 dicembre.—Il gruppo parlamentare socialista ha deciso di presentare alla Camera dei Deputati una mozione per regolare le relazioni tra l'Italia e la Russia ed il riconoscimento del Governo Soviet. Ciò indica che i socialisti tenteranno di raggiungere un accordo costitutivo in uno sforzo di cambiare la costituzione.

Secondo il giornale "L'Epoca" in

occasione di una crisi ministeriale i rappresentanti del partito cattolico avranno il portafoglio dell'Istruzione e della Giustizia e che sei deputati cattolici saranno nominati sotto-segretari di Stato.

Roma, 8 dicembre.—E' stato pubblicato il seguente comunicato semiufficiale:

«Secondo i rapporti giunti da tutte le parti d'Italia, le condizioni sono tor-

mente ovunque normali ed il lavoro procede normalmente ed in maniera regolare. Il Popolo Romano stampa che

Gabriele D'Annunzio ha assicurato il Governo Italiano che egli non intraprenderà alcuna nuova spedizione, né passerà al di là della linea di armistizio.

ESSEX MOTOR CARS

Make It An Essex
Delivery in the Spring is Not So Certain.
Hear How 20,000 Owners Urge You

This Christmas

What better gift than an Essex?

Have all the year's use of it and remove doubt as to delivery in the spring.

There can be no advantage in waiting. The Essex so leads in qualities which must ultimately be the features of all moderate priced cars that until they can be incorporated by others, it has no rival. Everyone says so. Hear what owners are saying about the Essex. More than 20,000 Essex cars were delivered in 10 months. In excess of \$30,000,000 were paid for them. A new sales record was established, because every Essex owner seems to have made it a point to urge his friends to buy.

Note Its Economy

The Essex won its way through sheer merit. What car has more champions?

Where can you find such performance, or fine quality and good looks? Owners tell you how their car outperforms larger, costlier cars. Some have driven their Essex more than 15,000 miles without a nickel for repairs.

The tire, gasoline and oil economy is unusual. In these respects the Essex is like light-weight, low-priced cars. But the Essex also has the fine car durability and the finish and looks of higher priced cars.

It has their performance too. Its acceleration, speed and power are always compared to cars in the high priced field. So also is its riding qualities.

Three Models to Choose From

There are three models to choose from: the five-passenger touring car, a roadster that has the sportiest lines and which is so arranged that it makes an ideal business vehicle with large carrying space under the rear deck. Both are fitted with full protection storm curtains. The third model is the sedan, a five-passenger closed car, that is a traveling sun parlor. It gives full protection from all weathers in winter and can be opened up to be more comfortable in summer than an open model. But you have seen these charming cars. They are all about you, and you have heard all about them from their owners.

The opportunity to get an Essex in time for Christmas is yours if you act quickly.

It will be difficult to get delivery in the spring if you wait until then, for practically every dealer reports orders on hand in excess of his season's supply.
