JOHNNY DUNDEE FACES NEW FOE

Pal Moran, Southern Lightweight, Opposes Veteran in Olympia Feature

CHANEY LOSES ON FOUL

Johnny Dundee will face a new foe in this evening. The aggressive little Italian has a standing challenge before all the eligible lightweights.

Moran's first appearance here was against Willie Jackson in one of the all-star battles at the Olympia Thanksgiving afternoon.

At the National last Saturday two of these lightweights, who not long ago were listed among the feathers, put on a slugging act that was a wonder for four rounds.

George Chaney, after fighting his way through a hailstorm of punches for four rounds, landed a southern wallop below the belt.

Shortly before the windup went on a few of the alert fans recognized Kid Williams seated quietly in the third row.

The blood spurted freely, but despite the liberal flow Cole fought well until the finish. Many believed that Cole's nose had been broken.

SCRAPS ABOUT SCRAPPERS

PATSY WALLACE will have no easy task this evening. He has been nominated to battle the rushing little Jack Elle, and when Jack rushes something must move.

Young Robideau will go into the windup at the Auditorium A. A. tomorrow evening against the attacking fighter, Larry Hansen.

Julie Robbins, the one-time Penn athlete, who is one of the best catch-as-catch-can four-starred sons in his monthly statement made it clear that he would be a ring-side spectator at the Kilbuck-Chaney fight.

While all this riotous bidding was going on the privilege of promoting the Carpenter-Dempsey battle nothing was heard from Leipserville, the home of that famous baron, James P. Dougherty.

On Tuesday night at the Auditorium A. A. the boxing fans will have a hard time deciding which bout to give their most attention to in the two contests that will comprise the double windup.

That part of your organization which comes in contact with your customer must be representative, whether it be man, building or stationery.

BOXING in colleges has been raised to a much higher standard since the war and now is gaining as much recognition as any other minor sport.

The West once more has set the pace in the way of doing things for the betterment of athletics in the colleges.

Until last season boxing was virtually ignored at Pennsylvania, but despite this the sport managed to thrive under the leadership of George Decker, the boxing instructor.

Camels hand out keen enjoyment!
Your real appreciation of cigarette satisfaction dates from the hour you begin smoking Camels!
Camels will win you as they have won enormous numbers of smokers throughout the whole civilized world!
Camels are unlike any other cigarette—entirely a creation that has proved a revelation to smokers.
They are so refreshing in flavor, and wonderfully mild; yet, Camels have "body" that exceeds your most exacting demands!
Camels charm is due to their quality and to their unusual and expert blend of choice Turkish and choice Domestic tobaccos.
Once you know Camels you'll prefer their expert blend to either kind of tobacco smoked straight!
No matter how liberally you smoke Camels they never tire your taste. And, they never leave any unpleasant cigarette aftertaste or any unpleasant cigarette odor!
You'll prefer Camels quality to premiums, coupons or gifts.
Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in glassine paper-covered cartons. We strongly recommend this carton for the home or office supply or when you travel.
