## "This is no night to stay home"

What if it does snow! What's that to you?  
The motion picture theatre is open.

ALL the difference between the sullen drip from the eaves and the flutter of leaves in a sunny patio beyond Seville.

All the difference between the monotony of a dull book and the lively creak of saddle-leather between your knees.

All the difference between seven o'clock this bleak evening and a hot noon ten years ago, when palm fronds rustled in the soft trade-wind.

All the difference between Number 7 Maple Street and the sail-shaded deck of an island schooner creaming through the blue of the seas of the South.

How far away? How near is the nearest of the better theatres, with the relaxation of its sociable chairs, its genial warmth and happy swing of music? Paramount Arcraft Pictures are there. That is why it is a better theatre.

Your kind of people, who know life and treasure romance, made Paramount Arcraft Pictures possible—and Paramount Arcraft Pictures made that better theatre possible.
