Gimbels Store of a Million Gifts

Piano and Talking Machine Sections, Seventh floor, open evenings till 9—a great sale of Player-Pianos in progress. \$575—and on very easy terms.

If at any time the Store has urged earlier Christmas shopping it has been to make the assurance of deliveries at remote points doubly sure. The Store will be bountifully ready to serve you until the last minute—safely and dependably.

Stocks have been kept at top-notch—there

are millions of dollars' worth of good things to choose from.

The Toy Store has promised to meet your demands—and it will. Motor trucks are bringing in supplies where railroads lag. Plenty of sleds; plenty of aeroplanes; plenty of electric trains; plenty of games; plenty of construction sets; plenty of dolls—Paris and Japan helped out with dolls and England with airships—including the bombing plane—but we have urged and aided the Development of American Toys.
