

**NO MOB VIOLENCE,  
IS LEGION'S STAND**

National Organization Takes Firm Stand for Maintenance of Law and Order

**POSTS MANIFEST ACTIVITY**

Mob violence on the part of any persons in the United States is not countenanced by the national organization of the American Legion.

In an editorial on the subject, "A Mob Is Not the Legion," in the issue of the American Legion, The Week received today in this city, the national official publication of the service men, has this to say:

"The Legion is committed to the principle that violence does not beget law and order. Things are entirely in the public hands in America. Normal processes provide a cure for every evil, political, industrial and social. The American Legion is interested in seeing that the orderly processes whereby equality, justice and democracy are established do not languish through the indifference of the public and its servants. American ideals need no improvement, but their attainment requires stimulation. The American Legion will always apply this stimulating process in an orderly and lawful manner, whether in the maintenance of public servants or suppressing the anarchistic philosophy of imported or home-grown defectors."

"Look forward to the day when the term, 'law and order,' and the term, 'American Legion,' will be inseparably associated in the public mind."

**Name Post for Girard**

Post No. 320 has been named Stephen Girard Post. This post is comprised principally of graduates of Stephen Girard College, and has its headquarters and meeting place at the Girard College Alumni, 1502 E. 13th street. The post commander is J. M. Hamilton, and the other officers are: Vice commander, William Jamison; finance officer, William F. Ehlers; adjutant, Francis J. Parke; next of kin, J. D. Dugan; and post insurance officer, J. Arthur Buehler.

There will be a meeting of Benjamin Franklin Post No. 405 in the Chamber of Commerce assembly room, Widener Building, Chestnut and Juniper streets, Wednesday evening, January 14. At this meeting the constitution and bylaws for the regulation of the post will be adopted.

The Ladies' Auxiliary of the First Pennsylvania Infantry and the Veteran Corps, First Regiment, National Guard of Pennsylvania, will be the guests of Captain Walter M. Gearty Post No. 315 in the First Regiment Armory, Broad and Callowhill streets, next Thursday evening, January 15. This one of its "red-letter" occasions. Commander David B. Simpson promises that the post's own band and orchestra will furnish music for the dancers.

George Westworth, Carr, county chairman, will address Post No. 315 at its regular meeting prior to the dance.

**Girardon Championship Contest**

The girardon championship of the American Legion in the northeast section of the city will be decided on Dissolution Field this afternoon between Post No. 133, of Tacony, and Post No. 178, of Holmesburg. In each of these posts there are members of the American Legionary force who were notable figures in athletics in France.

A New Year's dance was given last night at the Moose auditorium, 1314 North Broad street, by Oscar H. Graeber Post No. 152. Legionnaires from all the posts in the immediate neighborhood were in attendance.

Some discussion has arisen in Philadelphia county among the various posts as to the eligibility of honorary members.

The national executive committee at a meeting following the national convention in Minneapolis decided that all honorary members elected prior to November 11, 1918, should be continued in their membership, but that in order to carry out properly the provisions of the national constitution, no new honorary members could be elected by any local posts subsequent to November 11.

A number of questions of city-wide interest will be considered by the executive committee of the county committee at a meeting to be held tomorrow in the office of the county chair man.

Frankford Post No. 211 has planned an extensive campaign to raise \$40,000. This fund to be used to finance a new building to be known as the American Legion Home. The campaign will be conducted along lines similar to the various loan drives being conducted on Monday four-minute men will make addresses in all local theatres and committees of women volunteers will take contributions from the audiences. In every voting division of Frankford there has been formed a committee of Legion members. These committees will solicit contributions from householders in their division between January 5 and 12. Billposters, banners, placards, window tickets, moving-picture slides, letters, newspapers and mouth-to-mouth advertising is being used very extensively. The name of every contributor will be placed in the corner stone and the new building will be dedicated to the men of Frankford who did not return.

**75 WRITS OF EVICTION**

W Cases Left Out of Original 500 for Sheriff Lambertson

Sheriff Robert E. Lambertson will later upon his duties Monday with but by to seventy-five writs of eviction.

The distressing business of evicting families was thought destined to fall heavily upon the shoulders of the incoming sheriff, when Harry Rausley, the retiring sheriff, stated some time ago that there were still some 500 evictions to be acted upon.

With his announcement of the large number of evictions, Sheriff Rausley secured the services of twenty-one writ servers, and put them out in the districts during November and December with instructions to use discretion in serving their notices. He cautioned the servers to give the families plenty of time to get out.
