Lobsters Violated Rules af Parade, Declares Charles Klein New Year's Association

WINNERS PARADING TODAY

Hearthnrnings over some of wards of the judges of yesterday's New and church work. They sang as a quar-Year shooters' parade have resu'ted in a protest lodged by the Charles Klein New Year's Association with Councilman John H. Baiz'ey and H. Bart MeHugh. But the Klein Club won the big \$1000 But the Klein Club won the big \$1000 But the Klein Club won the big \$1000 first prize, so they are parading this afternoon from one o'clock until six, all is Major William A. Cattell, who served through South Philadelphia, around and about, carrying brooms in celebration San Francisco, but is now in Washingof their "cleanup" of yesterday.

As the matter stands Councilman Baiziey, chairman of Council's New Kear committee, and Mr. McHugh, in charge of the parade directly, have been asked to decide what must be done in asked to decide what must be done in this matter of awards. According to Captain John J. Shields, of the Klein Club, some rules of long standing were violated by their bitter rivals, the Lob-

Chief of these, they declare, was the use of wheels by the Lobsters, to help ho'd up some of their prize inuing cos-tumes and the fact that one of their muits, at least, was not in good condi-tion but actually torn. To begin with, the Kleins declare the

prize for the best cape, won by the Lobsters, was given a cape that was mupported partly by wheels, and in addition, a cape made of mercerized material, and not real satin, like that of the Klein Club. The latter is decorated with satin flowers, seved on, been paroled from the Mount Joy Then again, Thomas Landy, of the prison. Kleins, got no prize at all, and \$150 costume. William Waltman, of the Lobsters, received that, and it is con-tended Waltman should have been crty both detectives have been shot and called a float, and not considered as killed. dressed in costume at all, his costume

so big and elaborate.

Clown and Jockey Angry

Taylor Foster, of the Kleins, who received \$50 and honorab e mention as best clown, believes he should have re-ceived the \$150 first prize, and David Crawford, as king jockey, got no prize at all, and it is declared the costume of the Lobsters' winning jockey was on

those wheels again. Then the Indian costume of William Schuman, of the Klein Club, a suit he worked on for two years to make, re-ceived no recognition, and a first prize of \$150 for best Indian went to the George Hinkle, of the Lob-Lobsters. George Hinkle, of the Lob-aters, the second best clowp, received \$100, and his suit also, it is declared.

\$100, and his suit also, it is declared. ran along with wheels under it. Those wheels again. If permitted t. 1. o, the Kleins is-ments found its way to the capital. All reservations at hotels were gone days ago. At the Bristol a pig was paraded about the dancing floor, the porker be-ing symbolic of good luck in Germany. In spite of the inclement weather, the converted in the downtown section were

Lorena's limousine: \$3000 for toilet articles, hairdressing, jewelry and clothes: \$2000 for education and church contributions: \$3000 for travel and pleasure: \$1000 for physicians, dentists and opticians; \$2000 for rent and \$4000 for household expenses. "I don't believe in youthful mar-riages. However, the two children will never have to worry, and that may mean a lot toward their happiness. We all make mistakes, but that is the starting for Harrisburg. Had Lapse of Memory

"There is not much to say," said Mr. Pennock, in speaking of his sudden disappearance. "I had been working too hard and my bealth gave way. All of my affairs were in good shape

New York, Jan. 2.—Dudley Field Malone, formerly collector of the port, who has been barred from Croton Post of the American Legion because of his alleged radical activities, issued a state-ment last night in which he declared "any attempt by the American Legion to control opinion by social ostracism will only strengthen the fight for po-litical and industrial change. "My membership in the American Legion was solicited by a naval officer and filed at least six months ago," said the statement. "My opinions are ob-jected to as radical. I have never advo-cated even a peaceful and orderly change in the form of our government. But I have advocated, and shall continue to advocate, a return to the constitution and I simply wanted to go away. I do not recall many of the circumstances of my departure except that I went to the south. I have been at a gulf port. NOW IN PORT HERE I suffered a loss of memory, but I spent most of my time on the west coast and followed ornithology, coming back to

myself some time ago and writing articles." Dr. Witmer Stone, curator of the Philadelphia Academy of Natural Sci-Philadelphia Academy of Natural Sci-ences, is primarily responsible for Mr. Pennock's return. Mr. Pennock, under an assumed name, recently resumed his old practice of writing concerning his advocate, a return to the

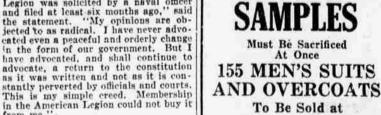

of bird life. Doctor Stone returned late in Sep-tember from an extended stay in Aristudy temper from an extended stary in Ari-zona. He found many manuscripts awaiting his perusal which had been submitted for rublication in the orni-thological magazine. The Auk, of which Doctor Stone is the editor.

Style is Familiar One article had been forwarded to Doctor Stage from the natural science department of the federal department of agriculture. It was a description of a number of rare birds seen in Florida and it was a noteworthy article. Los Angeles Police Investigate

and it was a noteworthy article. The name "Tohn Williams," which was signed to the articles, was un-known to Doctor Stone. He had never heard of St. Marks, Florida. As he read the descriptions, written in the precise and scientific manner of the master ornithologist, Doctor Stone was impressed. of their home yesterday. Apparently they had died from inhaling fumes emitted by a gas heater in an adjoining room. Mr. Sinclair came here six months ago from Boston, where he was vice

"I thought I knew all the men in esident of the Choral Cello Manufacturing Co. the country who know birds this way." he mused. He studied the writer's style closely and it seemed familiar. The house was tightly closed and ne noise was tightly closed and every room was filled with the deadly mixture of gas and air. Food was found on the table and the police said an analysis of this would be made to determine whether poison other than style closely and it seemed taminar, every foom was hiled with the deadity as did the handwriting. Then Doctor Stone thought of his infinate friend, Charles Pennock. The hight of May 15, 1013. Mr. Pennock had attended an ornithological meeting at the Academy of Music. After the meeting the two friends and lovers of birds had walked together to the Broad Green Station expansion of the Broad Green Station expansion of the Broad Street Station, separating at the enseen or heard from again after that
