Thieves Break Into American Store, Fifth and Somerset Streets

THEY ALSO TAKE GROCERIES

Three hundred pounds of sugar and a safe were stolen from an American Stores grocery at Fifth and Somerset streets early this morning.

The safe contained \$275, but the im ortant thing, to the minds of all the neighbors, was the 300 pounds of sugar. It had just come in late yesterday, and there was to have been a sugar sale this morning. Every housewife in the vicinity of the store is looking for the thieves.

vicinity of the store is looking for the thieves.

The police of the Front and Westmoreland stretes station, notified by the store manager, James Stewart, when he discovered the thefts on opening the store this morning, believe that a pushcart was used to carry the plunder

away.

The safe was a small one. Several men were seen by early rising neighbors trundling a pushcart, which the police think held the safe. The robbers police think held the sate. The routers must have made two trips, the police believe, because they carried off a con-believe, because they carried bebelieve, because they carried off a considerable quantities of groceries hesides the safe and the sugar. The manager missed sixty pounds of coffee, fifty pounds of lard, forty pounds of butter and three sides of bacon when he inventoried his stock after discovering the loss. The groceries—including the precious sugar—were worth about \$200.
