OPERA SINGERS PAY

Applause

Alegandro Doict, Italian tenor, made public today. An assistant stage manager, the ten-ors said, was head of the claque, and obtained the money under promises of "handelaps, cries of 'bravo,' 'encore,' 'bis' ' or threats to ''cut off their ar-

tistic heads." Herbert Johnson, comptroller of the company, said he had heard rumors that "somebody was shaking down" the artists, and that a circular letter was sent to the singers last month advising

them it was unnecessary to pay for ap-

Fontaine said the claque leader told

the applauders, whom he stationed about the theatre, what singers to ap-plaud, when to start a demonstration and what arias to make the singers re-

and what arias to make the singers re-peat so that the artist's reception would appear "wildly enthusiastic." Dolci said he defied the claque after cleofonte Campanini, former director general, now dead, told him not to heed demands for money or the threats. Dolci declared Campanini said he had been

Billie Burke is a cute little bunch of femininity, but she must have at least some good material if her daintiness is to count. In this play she first appears as a careless lady who does not mind what her two girl friends say about her appearances. Then comes the marriage of these girls, and of course the beroine of this story must get herself a beau and a husband. It is easy to invent such a person. Soon a man appears, and he proves that he really does love her for herself, and the story has its happy rading.
