ther day when George Wharton Pepper and Judge J. Willis Martin spoke at the same meeting, and when a view of the school program showed that no Democrats were on the list of speak-ers. The protest brought out the news that Democrats had been invited, but nad failed to appear. Finally at a last resort, the Democratic city committee was appealed to for the sake of the school and for the sake of the party to send a representative to address the pupils who are trying to learn what

itizenship means.
"The hope of the Democratic party lies with the women voters of the country," he said. "Ninety-nine out of a 100 of them will vote the straight Demo-

eratic ticket.
"I agree with Miss Helen Taft that a national woman's party would be a great mistake; in fact, it would be im-possible. The men would line up against the women all over the country. A woman's party would be a tremendous waste of time, money and energy. 'Lack of money is what has kept and is keeping the Democratic party
