ASSAILS DEMPSEY'S

TO CHALLENGE FOR POLO CUP IN 1921

No Decision Announced at Meet Yesterday, but Polo Men Will Challenge by Next January

SHORT ON STAR PLAYERS

New York, Jan 21 - America will ask England to defend the international pole cup in the spring of 1921. That was made almost certain as a result of deliberations at the annual meeting of the Polo Association yesterday. The association did not announce a deciongs to the average citizen as the main sion to challenge for the trophy, but evrention of millions and no chance hould be overlooked to have it handled doing so before next January.

Nothing definite will be done until the available material for an interna-THIS is especially true in an age where tional series has been sized up. While I the fragrant odor of hale is as rife as it is today, and where the box office and the turnstile have become such a big America is rather short on first-class players. England is little better off. and it may be that conditions will be much more favorable for American suc-

THERE are others, of course, but men of the type of Big Bill Edwards and Judge K. M. Landis, who love sport and who are for clean, fair play, would make ideal selections.

The Money Taint cess than generally is believed.

The meeting was presided over by William A. Hazard, secretary of the association, who acted in the absence of Henry L. Herbert, who is in the West Indies, Lawrience Smith Butler was appointed secretary pro tempore. Mr. Looking Back

Sport is supposed to be drifting into limproved areas year after year, as the human race develops speed and stanting in greater quantities.

The new are placed above the old as champions come and go.

But consider this—
The 220-yard record which B. J. Wefers made twenty-four years ago Mel Long ran the 21 1-5 seconds has never been broken.
Twenty years ago Mel Long ran the 40 in 47 flat. That mark still stands

The new are placed above the cold as college and preparation of football.

The soul, the main fiber of football.

The soul, the main fiber of football.

AUSTRALIA KEEPS DAVIS TENNIS CUP

British Team Is Eliminated in International Championship

to write in their own ideas, wherein they disagree or agree with the theories of Philadelphia's golf stars. These letters will be published as

Shoulder, Shoulder, Where is it?

Sports Editor Evening Public Ledger:

I was one of your first fans when the Centro Leboun first appeard in Philadelphia and am still an enthusiastic reader if your golf articles. I Aguest there are incorporated by the same who consider the paper is incorporated by the same who consider the paper is incorporated by the same who consider the paper is incorporated by the same who consider the paper is incorporated by the same who considered the same with the same who considered the same with the same who considered by the same with the sam Shoulder, Shoulder, Where Is It? contest was begun yesterday, but was postponed on account of rain after each player had won a game.

This victory insures the retention of

the Davis cup by Australasia. In the other singles match today Anderson, the young Australian star, defeated A. H. Lowe, of Great Britain, 6-4, 5-7, 6-3, 4-6 and 12-10.

In successfully defending the Davis cup, emblematic of the world's team lawn tennis championship, Australia's team demonstrated its complete mastery over the English challenge combination. orts Editor Evening Public Ledger:
Sir—Once more the Ledger seems to
ve got the jump on the other Philadelphia
pers when it extended its golf activities
to the field of winter golf. The articles
inch you are now running, covering the
me as it is played by Philadelphia golfs, is a big booxt for the game here and
decided help for the younger players who
e trying out all the methods and styles
the more experienced players. The defenders, consisting of Norman Brookes and Gerald Patterson, famous internationalists, assisted by young Brookes and Gerald Patterson, ramous internationalists, assisted by young Anderson, a youthful*tennis prodigy, won four out of five matches; twelve out of eighteen sets and 102 out of 179 games. The English teams composed of the veterans A. H. Lowe, A. R. F. Kingscote and A. E. Beamish, lost three singles mutches and one doubles, the sole victory being that of Kingscote over Anderson. of the more experienced players.

The Ledger is always progressive and leserves congratuations on its golf columns. And you are certainly fortunate in having Sandy McNiblick to cover the game. His strictes show a thorough knowledge of the same and an earnest desire to further the sport in this city and to help the younger players. Kingscote over Anderson.

Australia will be galled upon again to defend the Davis cup against far more formidable players within the next twelve months. At the annual meeting of the United States National Lawn Tennis Association, to be held in New York, on February 6, a formal challenge for the trophy will be decided upon. All challenges must be filed before March 1 and the national association is on record as favoring such a move. is on record as favoring such a move, which will undoubtedly be made before that date.

Several other nations including France, Belgium, Japan, England and possibly one South American country also have indicated their intention of challenging in 1920.
