No. 3 was bought by the Arbuckle Brothers was bought by the of Pittsburgh and did such notable work that they installed a fleet of ently. It now has more than 130, 19 Pierce-Arrows in their service. After it had traveled 61,000 miles ing as efficient service as ever. In in 41/2 years they figured that they July, 1918, it survived a fire and

City at a depreciation of 12% a year. For 4 years since then it has served Brainard Brothers consist-000 miles to its credit and is rendershould replace it, and it was sold to with new cab and body resumed its Brainard Brothers, packers, of Jersey work unimpaired.

The man who has one truck cannot afford to have it in the repair shop. He is out of business when it is off the job. Can you afford to be out of business?

WHY PIERCE-ARROW ?

1. Delivers more work in a given time.

Loses less time on the job and off the job. 2.

Costs less to operate and less to maintain.

Lasts longer, depreciates less and commands

a higher resele price at all times.
