### The Greatest Saving Announcement of the Season!

This announcement comes at the most critical period in the year's fur retailing. Prices have been steadily advancing in the wholesale markets, and we believe that it is only due to our initiative and foresight generally that we have been enabled to sell at our famously low prices during this season. We, as Fur Manufacturers, have carried the largest stocks of dependable furs in the East, and have maintained our original prices.

It is not exaggeration to say that next winter furs will cost double the present regular prices. We are nearing the close of our Annual Sale, and with our low prices cut in half in many instances, this is an event of the rarest occurrence.

> Quantities Limited as Advertised, Many Other Items Too Numerous to Mention Buy Immediatelyfor present and future needs

Purchases Will Be Reserved in Our Storage Vaults Until Next Fall on Payment of a Deposit, Payments to Be Continued Monthly During the Spring and Summer.

# STRAWBRIDGE & CLOTHIER

# To-morrow, Second Day for Inspection and Comparison of Furniture Values

Our Entire Stock in the Sale at Reduced Prices

For some years past the Strawbridge & Clothier Furniture Sales have taken a position unique among such events, demonstrating beyond question, yet without noise and bluster, that they are the result of more careful planning and larger foresighted preparation than other Furniture Sales about town. The superiority is not in the size of our Furniture selling space (our ten-story warehouse, at Ninth and Poplar Streets, holds the reserve stocks), but in the wide variety of high-class, NEW and beautiful Furniture, from more than two-score of the best manufacturers in Grand Rapids and several other cities, all bought at prices much lower than we would have to pay to-day.

Every piece of Furniture that has been in the Store for some time was already marked at less than its real value as based upon present cost, yet every piece is NOW REDUCED IN PRICE. And all that has recently arrived, though owned at less than manufacturers' present prices, is marked at considerably less than our justified profit—which means that our ENTIRE STOCK IS LESS THAN OUR OWN FAIR REGULAR PRICES.

A splendid assortment of Bedroom, Dining-room, Breakfast-room and Living-room Suits, and innumerable single pieces and novelty designs, which you are invited to COMPARE, as to quality, beauty and value, with the best vou can see elsewhere. ridge & Clothler-Furniture, Third Floor, Metal Bedsteads and Bedding, Fourth Floor, East
