BRUNT

BY ANNIE HURST

Annie Kreedy's Anales de de delty to be gray, received and engrade with his gray and with a result for the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and his gray and with a result of the single seed and th changed to an even reasoning faculty.
Furthermore, Kathleen knew that for the first fine Virginia saw her as she was, relish through and through. Even though she kept saying to herself that she didn't ence, the did care; the fact warried her.

She decided on the way home after she she had been to have a good time; the work had been simply an exercise. She thought of all that had han-

She decided on the way bome after she case. She thought of all that had bap-bad said good by to Virginia, as though pened to Virginia in that time. Virginia had married, had lost her hus band and had a baby in a short year and a half. How the time had flown! Why, already Jimmy had been dead nearly a year. after all what Virginia thoughl or did nearly a year,

The friends with whom she was d Kathleen all they could by in-g her privacy. She were her est freeks and one evening she had long carrings in her cars to add general effect, but Bill persisted liberately sought her out, he seemed;

the hard no intention of living it on the terms that Virginia had ith Jimmy. If only she had of the legacy, everything might been different now. tas, there was just one thing to do.
too him back to her, and she still had
bopes of doing this. After all, if he did
not care for her, why should he seek her

out as he had? That evening she determined on a bold at evening she determined on a bold of which would force the issue. Perhe ind been holding off merely to her. If so, the way was easy. Bill not said he was coming that night, t was his regular evening. He had ped in every Wednesday for weeks the had grown to look forward

e white crepe thing that made her almost nunlike. She arranged her iir more simply than usual and tucked red rose in her belt.

Simple and girlish," she sald, as she

day, and then —if it's last-ed — I'll be sure enough to go home

thing."
"Got it packed in camphor down in Beasley's cellar now. Gad, but that

mouth."

"Pretty, but gad, girl, I've seen lots of 'em in my time; been hirin' 'em for eighteen year, but never clapped eyes on one like you! Where'd you get that hair, girl—dip it in fire? I hired a girl for the laces once just because she had hair that shade, but nothing up to yours! Gad, where'd you get it?'

"Steven used to call it his—his——"

"At each stair landing another blob flickered crocheting shadows into dimness.

Within her room, dark as a pocket except where a slit of the weak light showed beneath the door. Annie Kinedy lay on her cot, her feet to the King Quality shoe factory and her head to the wall, one arm flung up across her eyes, courting sleep and counting sheep, whole slaughter houses of them, as they slauted bleating down

"Aw, nothing."
"Go on, what'd he call it? See if it's same as I'd call it."

sees a good deal more than the promenade deck, the blue sen and the distant borizon line. Don't miss even the first installment, which will appear on MONDAY, FEBRUARY 2

ore the first time she sprung the pony skin on 'em. Sixty-five bones it set it to back, girl."

"She was right pretty, poor little thing."

"You bet your life I'm touchy!" And with her face still wry with distaste, she slid past him around an archipelago of furniture and out, slamming the door.

"You big, sassy doll, don't you talk to me like that, you big, sassy doll, you."

Beasley's cellar now. Gad, but that coat would look neat on a figure like over Lucy Beasley's furuished rooms—to you."

At 11 o'clock foggy quiet had settled over Lucy Beasley's furuished rooms—to you."

It is now. Gad, but that the coat would look neat on a figure like over Lucy Beasley's furuished rooms—to you."

It is now. Gad, but that the coat would look neat on a figure like over Lucy Beasley's furuished rooms—to you."

the chutes at Spartan Junction into miles of sidetracked boxcars. Dozed finally, and awoke falling

slippers and, wrapped in a kimono of large-figured cotton crepe, sloughed, shivering, through the gloom of the ball; rapped in three staccates at the door adjoining, her whisper breaking out into voice.

"Mr. Foodie—open—please—Mr. Foddie."

"Mr. Foodie—open—please—Mr. The door swung back to reveal him in the flannel dressing-gown, peering and quavering, and the hot medicinal smell of crosste pouring around him.

"I was just coming for you, Miss Annie, He—little fellow's bad."

"Mr. Foddie, Mr. Foddie, he oughtu't to cough like that with the lamp burning. Did you fix the teat arrangement to cough like that with the lamp burning. Did you fix the teat arrangement to cough like that with the lamp burning. Did you fix the teat arrangement to confine the fumee?"

"Come in, Miss Annie. For God's sake, do something. I never seen the poor little fellow so hard up for breath." He dragged the door wide, his face energed from the slit in the teepee, the sleeves falling down over her milky arms, with the sleeves falling and didn't know how to work the lamp."

"My God, Miss Annie, I was afraid he'd choke. Poor little fellow just to cough like that with the lamp burning. Did you fix the teat arrangement to confine the fumee?"

"Come in, Miss Annie. For God's sake, do something. I never seen the poor little fellow so hard up for breath." He dragged the door wide, his face of the was in and past him, and to the small crib, an open umbrella hung the fight dawn over her milky arms, with the sleeves falling and upon bere hair, a plait of it flowing over each shoulder.

"He's all right, Mr. Foddie, You just allen back from the energe the was in the teepee, the sleeves falling and upon bere hair, a plait of it flowing over each shoulder.

"He's all right, Mr. Foddie, You just and the print crepe flowing about her body.

"My God, Miss Annie, I was afraid he'd choke. Poor little fellow."

"Now, now, Mr. Foddie, you sit the sealeves falling around him. He was intent on watching. I never see he lamp."

"Now, now have to work the lamp w
