MARTENS ASSERTS CREEL AIDED LENINE Says Robins Also Co-operated

in Soviet Propaganda Against Kaiser

**USED SOME U. S. COURIERS** 

By the Associated Press Washington, Feb. 4 .- "Officials of the United States" co-operated actively with the Russian Soviet Government in conducting propaganda designed to undermine the imperial German Government, said Ludwig C. A. K. Martens, representative of soviet Russia in this country, addressing the Senate investigating committee today.

Mr. Martens admitted that some of his couriers to Bolshevik Russia were Americans, but refused to give their

Americans, but refused to give their names. In response to questions by Chair-man Moses, Martens named Raymond Robins, formerly of the Red Cross organization in Russia, and "agents" of the committee on public information as American officials who had co-operated with Lenine. "At a time when a branch of the United States Government, during 1918, was preparing the issuance of alleged documents on the basis of which it was implied that officials of the soviet gor-ernment were paid agents of the im-perial German Government," Martens said, "my government was actively co-
