FURS AND MYSTERY

Seventh Article of a Copyrighted Series.

Sable is a fur which people are usually somewhat

cautious about huying, due perhaps to the money involved,

and yet that same caution might well be used in buying furs

of ANY kind. Were you in the market for a sable piece,

the dealer without reputation would no doubt get little

consideration, because you would feel that he was well

Mrs. Spiker Foolish and Wrong
To the Editor of the Evening Public Ledger:
Sir—I was a war worker myself.
Naturally I know the temptation in being far from home, and lonely. So do not consider this as from the ignorant or inexperienced "stay at home."
But this is my humble opinion of the so-called "Spiker romance." (Where is the romance?) It is to me, at this time, when there is so much unrest, so many and hearts, a shameful, disgraceful mixup, and almost an insult to the nation's is honest and respectable to the highest
