Wolfe, representing the entertainment committee; J. Frank Barber, chairman of the committee on post financial appeals; and Edward J. Koellsted, chairman of the committee on athletics.

It is understood that similar gatherings will be recommended to all the districts by the executive committee in the event that this function is successful. Post 83, in West Philadelphia, has inaugurated a membership campaign to increase its enrollment from 700 to 1000. This work is in charge of a committee headed by R. L. Briggs. H. N. Schwartz, chairman of the Third district, has called a conference of all post commanders of his district at the City Club, 313 South Broad street, Wednesday evening, to discuss plans for arousing greater interest in Legion activities in the wards in that district. Post No. 96 is now the William Thomas Shetline Post No. 96. The new name was adopted at the last meeting, in honor of a noted Philadelphia athlete, who was killed in France August 28, 1918, while with Battery F, 108th Field Artillery.

WE are emphasizing in this February Sale our Upholstered Furniture, not only because we have an ample assortment of luxurious Easy Chairs and Davenport, but also because our prices are unusually advantageous and people come back here time after time when they make comparisons elsewhere on the same high grade of merchandise. Much of this Upholstered Furniture is made in our own work rooms and represents the utmost in beauty of design, excellence of materials and superiority of workmanship. In the Sale every piece is marked at least 10% less than the regular prices.

SPECIAL attention is also directed to several Suites of walnut and mahogany for bedroom and dining room. And to the Mirrors, Lamps and Shades! Plenty of Four-post Bedsteads, too. At \$85.00 we can supply a Four-post Bedstead in single size, complete with felt mattress, wire springs and one pillow.

IN NOVELTY Mahogany Furniture such as Telephone Stands, Drop-leaf Tables, Sewing Tables, Magazine Stands, Tilt-top Tables, many excellent values are offered. We have Gate-leg Tables, too—scarce in many stores; prices start at \$20.00. Shipments come in almost every day to take the place of the pieces sold.

TO find both beauty and utility combined is not always an easy matter, but this has been successfully accomplished in the Adams Sofa Bed. It is the newest thing of its kind, and is on sale at this store only in Philadelphia. There are many convertible davenports and the like, but no dual-purpose pieces we have ever seen which can compare with these—especially the Chair-Bed model. As a Chair it is unsurpassed for comfort and appearance, yet quickly and easily changes to a Bed—a metamorphosis surprising and fascinating. For apartments or for small houses where an extra Bed is needed now and then it is certain to be very popular. The upholstering can be furnished in any covering desired. Ask to have the Adams Sofa Bed and Adams Chair-Bed shown to you.

A Word About the New Silks
ONE turns naturally to Darlington's for the new and distinctive in silks. And how alluringly beautiful are the Sports Weaves here now—Dew-Kist, Fan-ta-si and Crepe Milano, for instance! As to shades, white most assuredly, and jasper, coral, green, orchid, robin's-egg blue, sapphire; width, 40 inches; prices \$8.00 to \$10.00 a yard. High in favor, too, will be Chinchilla Satin, Roshanara Crepe, Klimax Satin and Tricollette; widths on these vary from 36 to 40 inches, and the prices from \$8.00 to \$11.00 a yard.
