With Family Laundry Service your only wash-day work is to gather together your entire family's washing and hand it to your laundry-man.

Family Laundry Service is at the service of every woman in Philadelphia. The cost of having your whole washing done is much less than you realize. Your bundle is collected on a scheduled day and returned just as promptly as follows-

All flat pieces, including bed linen, table linen and towels, washed, smoothly ironed, evenly folded and ready for use.

Wearing apparel, all underclothing, dresses, children's garments, etc., carefully washed and dried (and starched where necessary) ready to be dampened and ironed.

Many undergarments may be worn without ironing, due to the method of drying. This will save a great deal of your work in finishing that portion of your wash.

The hardships of home laundering is done away with in modern laundries by systematic methods and the aid of appliances that do better work than hands and with less effort.

The conditions which make laundries good places to work, make them also the place to have your laundering done.
