A feature of the market was an entire absence of demand for many issues around recently pre-vailing prices, making it hard to find a market except at wide concessions.

The heaviest decline was in Midwest Refining, which dropped 11 points to 141. Houston Oil broke 9 points to 91 will and General Asphalt ranged from 85 yer to 80. Union Pac R R fd

to 80.

The Homer stocks were again pressed on the market, Simms ranging from 35½ to 34½, and White Oil sold at 26¾ to 26½. Elk Basin Petroleum was steady, holding at 8½.

Industrial issues also yielded, Tobacco Products Exports sustaining the greatest loss in that group, falling from 19½ to 12.

North American Paper was steady, selling at 5%, Montzomery-Ward

selling at 5%. Montgomery-Ward ranged from 33 to 32½, while General Motors was traded in on a large scale

Thus, it can be seen that the big fight, the fight to depose Ban Johnson as president of the American League, resulted in a dismal and flat failure.

The Mays case, which caused all of the trouble, had been shoved in the background months ago, and all of the opposing artillery leveled at the chief executive. Comiskey, Frazee, Houston and Ruppert wanted Ban to quit his job, sued him for \$500,000 damages. and Ruppert wanted Ban to quit his job, sued him for \$500,000 damages, had many injunctions in the New York courts and did everything to pry Johnson loose from his job. They asserted there would be no compromise, but they evidently were mistaken.

Ban Johnson still is president of the American League, his powers are in no way curtailed and he will fulfill his contract. He is just as strong as ever.

The market for raws continues easy with sales of Cubas reported at 11 cents, cost and freight.

Inc only concession made by the Johnson forces was in awarding third place to the New York Yankees. Had the games won by Mays been thrown out Detroit would have finished third and shared the prize money. But the owners decided to allow the final stand-ing of the clubs to remain as is, and

thereby brought about peace.

This board of review, which gives Griffith and Ruppert the power to rewise all cases whose players have been fined in excess of \$100 or ten days' suspension, means nothing. In the history of the American League, outside of the Mays case, no man ever has been fined more than \$100 or suspended for more than the ten days. more than ten days.

The three opposing clubs also must respect his authority and act accordingly. Baseball is no place for gentlemen with long memories.

Baseball has benefited greatly by the turn of affairs. The constant squabbling was getting on the nerves of the fans and, had the fight lasted much longer, the American League was in longer, the American League was in longer, the American League was in a good position to ask for a receiver, Too much legal action disgusted the followers of the game and they wanted a quick settlement. "It's a good thing they got it."

This get-together meeting was called at the suggestion of the insurgents after the morning meeting adjourned yesterday.

Therefore, the final score is 3 to 1 in favor of Ban Johnson.

After everything was over Colonel Huston said: "We have received a Mexican verdict, which means we lost our money but saved our lives. However, I am not at all discouraged over the result. I will fulfill every obligation and work in harmony with the league."

Harry Frazee, when asked if he was feeding the dove of peace, replied: "I'm very tired. I'm going to bed."

Connie Mack said nothing, but inferred that he was vastly pleased with the result. Connie was not handing us a bum steer. He should be pleased.

William M. Richardson, of the Washington Club, also was pleased. He had been instructed to say nothing and obeyed orders.
