

WILL REAPPORTION SEATS IN CONGRESS

State Legislature of 1921 Will Also Fix Representation in Assembly

GAINS FOR PHILADELPHIA

Philadelphia will gain one and possibly two congressmen under the reapportionment. Its present legislative delegation of forty-one may be increased to one member. Its senatorial apportionment will remain the same, as the constitution limits the number to eight to one county.

Although the constitution provides reapportionment every ten years immediately after each decennial census, Republican leaders have long ignored the mandate. The last congressional apportionment was made in 1901 and the last senatorial and legislative in 1906.

Four congressmen, now elected at large, will be apportioned to districts.

Turks May Keep Capital

Paris, Feb. 11.—Premier Millerand told the Chamber of Deputies foreign affairs committee yesterday that the Turkish problem, which still remains to be settled, was capable of two solutions. The first provided for taking of Constantinople from the Turks; the second would permit the Turks to retain control over the city under certain international guarantees. The premier declared that France preferred the second arrangement.

Hitch 44 Horses to Snow Plow

Hazleton, Pa., Feb. 11.—Forty-four horses secured from farms in the surrounding valleys were hitched to a mammoth snow plow of the State Highway Department yesterday and cleared the road through the huge drifts from Courtyham to Hazleton. The work will be continued until all of the state highways in this section are reopened.

Greatest Sale of Women's Shoes in Years!

Twenty-five Thousand Pairs—Shoes for all Occasions

—Savings Half, and Near It

"Anne Rittenhouse" in last Sunday's paper, told how women who are "proud of their feet" are watching the sales of the smart shoe stores that they may fully meet the needs of many months ahead—and still keep within their dress allowance. But "Anne Rittenhouse" has seen no store make such a sale as this.

Based on actual value—style (a big item), leather, trimmings and work, many of these shoes are cheaper than in the great stock-adjustment sale here a year ago.

In addition to our own stock a Lynn wholesaler sold us several thousand pairs of a make we handle regularly, and we'll sell—

These \$10 Shoes at \$4.95

But read the whole story and arrange to come to the Store tomorrow—Thursday.

- \$4.95** Women's Lace Shoes—glazed kidskin and patent leather. Turned soles; Louis heels; plain toe.
- \$8.65** Women's Shoes of patent leather, black kidskin, tan Russia calfskin—plain leathers and two-tone effect. Lace and button; French heels and military heels. Gray oze leather shoes, lace, are included.

- \$8.65** Another Group At—Women's Shoes of tan Russia calfskin, gun-metal calf, and patent leather; lace shoes; Louis heels and military heels.
