Theological Committee Warns Faithful Against 'Dangerous' Doctrine

By the Associated Press

London, March 2.—General Denikin's army has been trapped in the Caucasus, a Bolshevik communique received yesterday announced.

The taking of this juncture probably is the basis of the claim that Denikin's forces are trapped, as it cuts their line of communication southeastward into the Caucasus and leaves open only the route through Yekaterinodar to the Black sea at Novorossiisk.

Factory Enlarged—Production Doubled to Meet Increasing Popularity of Cole Aero-EIGHT

DURING 1919 only a fraction of the demand for Cole Aero-EIGHTS could be supplied, despite the fact that it was the largest production year which the Cole Motor Car Company had ever had.

With the expansion of the factory to twice its former size, this production of Aero-EIGHTS will be more than doubled in 1920.

Though this will enable many motorists to own Cole Aero-EIGHTS who never before have been able to enjoy that privilege, several thousand unfilled orders carried over from 1919, must be accorded preferential deliveries during the early months of the present year.

Hence, all who now contemplate the purchase of Cole Aero-EIGHTS are urged to place their orders without delay, indicating the date of delivery desired, so that equitable distribution of the product may be made and prompt deliveries assured.
