

**N. J. LEGISLATURE SPEEDS UP WORK**

Plan Extra Sessions to Make Adjournment in April Possible

**SEVERAL BILLS ARE PASSED**

Trenton, March 3.—Evidence of a determination on the part of the Legislature to hasten final adjournment was manifested last night when Mr. Herzhfeld, Republican leader in the House, announced that, beginning next Monday, the House will meet at least three days each week.

The necessity for greater exertions is apparent from the fact that during the eight weeks since the Legislature convened only three laws have been enacted. In the House alone 520 bills have been introduced, of which 240, or nearly half, made their appearance yesterday. Hereafter bills can be introduced only by unanimous consent.

The proposed ship canal across New Jersey from the Delaware river at Bordentown to Raritan bay at Morgans, was advanced a step, when the House passed Mr. Young's bill authorizing the expenditure of \$1,000,000 for a right of way. Actual construction of the canal must await favorable action by Congress.

Assemblyman Tozer, of Bergen county, is sponsor for a bill in the House authorizing a \$10,000,000 bond issue to aid the ten-year reconstruction program of the state board of control of institutions and agencies.

Among the bills passed by the Senate were the following:

- Authorizing Trenton to acquire Hamilton township land for the purpose of erecting a sewage disposal plant.
- Providing for the erection of buildings costing \$100,000 for housing inmates at the Clinton Reformatory for Women.
- Establishing a public record office with the governor, chancellor, chief justice, attorney general, secretary of state, treasurer and comptroller, as directors. The purpose of the office is to preserve maps and records.
- Prohibiting utility corporations to charge for the installation of or use of gas meters.
- Making the hunting season for migratory birds conform with the federal law.

**SEATTLE ELECTS ARMY MAN**

Major Caldwell Chosen Mayor Over Labor Candidate by Large Majority

Seattle, Wash., March 3.—(By A. P.)—Hugh M. Caldwell, former army major, was elected mayor of Seattle yesterday by a majority of 16,781 votes over James Duncan, secretary of the Seattle Central Labor Council, his opponent, according to complete unofficial returns. The majority was the largest ever given a candidate for mayor here. The campaign was a bitter one, involving frequent charges of radicalism against Duncan, who was a leader in the general strike here a year ago. The principal issue was "Americanism."
