

**AMERICANIZATION  
IN LEGION PLANNED**

**George S. Stewart Named Head  
of Committee to Teach Ideals  
of Citizenship**

**ALL POSTS WILL ASSIST**

Americanization work in the American Legion will be promoted vigorously in Philadelphia county. George S. Stewart, Jr., of Post No. 29, who has been named as head of the committee on Americanization in this city, conferred yesterday with Edgar W. Baird, state Americanization officer, on plans of developing this field here.

Mr. Baird proposes that the state shall be divided into ten districts, one of which will comprise the city of Philadelphia. In each an effort will be exerted to impress upon the Legion members the importance of citizenship.

A strong committee will be announced shortly by George Westworth Carr to assist Mr. Stewart.

More than 50 per cent of the original enrollment of members of David W. Jameson Post, No. 183, have paid their dues on the 1920 basis, it was announced today by L. S. Potsdammer, post com-

mander. It has been arranged to hold services for the distribution of the French memorial certificates in the Fourth district, in the Grand Opera House, Sunday, March 14, in which this post will participate. The post has entered the Legion Baseball League.

William T. Shtatfne Post, No. 96, will conduct memorial exercises for presentation of French certificates next Sunday at 2:30 p. m., at the Plaza Theatre, Broad and Porter streets.

In the distribution of the French memorial certificates the American Legion has received the excellent co-operation of the Community Service of Philadelphia.

At the exercises of the Second district Miss Goldsmith, Miss Silverman and Mrs. Maher assisted.
