AUTOMOBILE PAINTING The shortage of new cars for the coming season will mean a rush in the spring to have the old car repainted.

If your car is in constant use, new is the time to avoid discomfort of doing without it for any length of time.

Our facility for high-class refinishing is perhaps the most complete and largest to be found. Besides we keep our delivery promises.

We bake each coat of finish as applied. This not only saves time, but cars so refinished look better, wear longer and are equal in finish to the highest grade cars. If you are looking for high-grade work, only at a saving, call or communicate with us.
