Applying this thought to yourself when eye troubles occur, wouldn't you rather accept the advice of an oculist—a physician who special'ses in correcting eye troubles—than to take the advice of one who offers "free" examinations and whose livelihood is directly dependent upon the merchandise—in this case glasses—which he sells?

When eye troubles occur.

When eye troubles occur, consult an oculist. If glasses are necessary, have the prescription filled by a prescription optician.

ever are you going to find your way in

Spargo, it's stiff going!"

"Go ahead!" said Spargo. "It's the first time in my life I ever did anything of this sort, but we're going on if it takes us all night. I couldn't sleep in any bed now that I've heard there's somebody ahead of us. Go first, old chap, and I'll follow."

Breton went steadily forward class.

Spargo's troubles began. It seemed to two came to the cottage. Sometimes him that he was walking as in a night- the guiding light had vanished, blotted

MEMORIAL RESOLUTION

MEMORIAL RESOLUTION

THE BOARD OF TRUSTEES OF THE
Northern Home for Friendless Children
and Associated Institute for Soldiers and
Sallors Orphans have heard with profound
eagret and sincere sorrow of the death on
restraint of the Soldiers second vice
oresident of the board.

Mr. Pearson was elected a member of the
loard in 1886 and since that period he had
seen regular in attendance at the meetings of
the board and in attendance at the meetings of
the board and in attendance at the duties as
a member of the real estate committee he
was most efficient. He was deeply interested
in the success of the institution and devoted
to the care of its inmates, and his loss will
ly most deeply felt and the vacancy a diffeuit one to hi.

To the members of the board his sudden

IN MEMORIAM

pursuing detective work in Fleet Street, Spargo," he said. "You would come

been investigating?"

"Possible," replied Spargo. "One never knows. I only wish we'd been a few hours earlier. For I wanted to have the first word with those two."

The rain ceased as suddenly as it had come. Just as suddenly the heavens cleared. And going forward to the top of the ridge which they were then crossing. Breton pointed an arm to some

way it was."

"Wise man." remarked Breton. He hastily finished his own bread and cheese, and drank off the rest of his pint of ala. "Come on," he said, "let's be stepping"

Outside, in the almost tangible darkness. Breton clutched Spargo's arm. "Who's the man?" he said. "Can you think. Spargo?"

"Can't." answered Spargo. "I was trying to, while that chap was talking. But—it's somebody that's got in before us. Not Rathbury. anyhow—he's not serious faced. Henvans. Breton, howers are you going to find your way in

Up hill, down dale, now up to his this darkness"

"You'll see presently. We follow the road a little. Then we turn up the fell side there. On the top, if the night clears a bit, we ought to see Great Shunnor Fell and Lovely Seat—they're both well over 2000 feet, and they stand up well. We want to make for a point clear between them. But I warn you, Spargo, it's stiff going!"

Up hill, down dale, now up to his aukles in peaty ground, now tearing his shins, now bruising his knees, Spargo, yearning for the London lights, the well-paved London streets, the convenibus, plodded forward after his guide. It seemed to him that they walked for ages and had traversed a whole continent of mountains and valley when at last Breton, halting on the summit of

Breton went steadily forward along the road. That was easy work, but the track across this moor. Spargo, so when he turned off and began to thread his way up the fell-side by what was obviously no more than a sheep-track. Another hour had gone by ere the

out by intervening rises in the ground; always, when they saw it again, they were slowly drawing nearer to it. And now when they were at last close to it. Spargo realized that he found himself in one of the loneliest places he had ever been capable of imagining—so lonely and desolate a spot he had certainly never seen. In the dim light he could see a narrow, crawling stream. A Detective Story by J. S. Kletcher

Convertent, 1930, Fred A. Kneed, and heightened; the darkening sky above; the faint outlines of the tower-dist leader Co.

"We'll go straight there," said Spargo. "Every minute's precious, libit—san we get a mouthful of bread phine in the faint of dast. We'll call in at the Moor Cock. Now then, while we're as that hour; there was scared, as all in it when he two drawlers a soul in it when the two travelers a soul in the moor cock. As this firm looked hard then, sir?" be keeping his eye on Breton, outlined only the member of the landlord. "The Boor Cock was almost described at the low of the we was cared at the hour; there was scared, as soul in it when he two travelers a soul in the said black of the moor core way gain then, sir?" be keeping his eye on Breton, outlined only the said Beton. "Come our way gain then, sir?" be keeping his eye on Breton, outlined only the said Beton. "The landlord. "I hear they're died call—now show the way had the said of the landlord. "I hear they're well the two old geuts last year, "The work of geuts last year, "The work of the landlord. "I hear they're well the landlord. "I hear they're well the landlord. "I hear they're will be the landlord. "I hear they're will be a said of the landlord. "I hear they're will be a said of the landlord. "I hear they're will be a said of the landlord. "There is another way than the said of the landlord. "There is another way had been would be the landlord. "The said said way this morning, and said we're so on the said way this morning, and said we're so on the said way the said way this morning, and said we're so on the said way to the said way the said way to the said way the said way the said way to th
