Men Asked 25 Per Cent

The men teachers had demanded a flat increase for everybody of 25 per cent, but their salary increase plan was also ignored by the board. A new salary increase plan for the men teachers only will be drawn up at the meeting this afternoon, as the men teachers say the salary increase for the women teachers was taken care of in the equalization scheme.

Students to Aid

Students in the West Philadelphia High School for Boys are planning the organization of a students' committee to aid their instructors in their fight for more pay. The boys say they are dissatisfied with the lower standards for instructors that have been set by the board and will endeavor to educate public opinion to the merits of the men teachers' claims.
