NEW JERSEY has led from the be-ginning in the Delaware bridge project. The Legislature at Trenton was almost a year ahead of our own Legislature in providing for necessary It is a bit humiliating to find that Jersey, through Daniel F. Hendrickson.

THE GOWNSMAN

Problems at the University

The second act in the comedy played UNANIMOUS faculties recommend the continuance of Pennsylvania in in Minnesota will be devoted to point**fts** functions as a public institution ing with pride to the exhibition of Wood offering equal opportunity to every citizen of the state and to all others. And the Gownsman rather takes it strength, and the star will be trotted before the footlights to acknowledge with gracious bows the tumultuous apthat we shall hear little more from the plause that will come from his friends little collegians who are really as few in numbers as they are small in spirit.

We do not mean to belittle General Is there no statesman in this great Wood. He may be the nominee of the commonwealth who can realize his oprecognition of its obligations as to edu-cation?-better schools, better teachers ceptable candidate. But the nomination of Lowden or Hoover is also possible. better colleges and universities, not starved on a fraction of what many a and Hoover sentiment is growing spon* taneously without any such organization younger and poorer state gladly pays for education, but fostered, adequately benefit of the man who is seeking to equipped, encouraged in practical use draw to himself the old Roosevelt sup- fulness to the making of more effi porters. Johnson, however, is about as citizenship and the raising of our moral likely to get the nomination as Lodge, and intellectual standards.

If Pennsylvania is to stand with her If any one who has tried to play ducks continuity of its militia record direct and drakes with the peace treaty is to sister universities of the state at the th. cn-Subscribers wishing address from Revolutionary days, if it is to be nominated in Chicago it should be head of public education in this state, the there is new address from Revolutionary days, if it is to be nominated in Chicago it should be the of public education in this state, there is new address from Revolutionary days, if it is to be nominated in Chicago it should be the of public education in this state, there is new address from Revolutionary days, if it is to be nominated in Chicago it should be the of public education in this state, there is new address from Revolutionary days, if it is to be nominated in Chicago it should be the of public education in this state, the chicago it is not the state at the stat cherish inviolate its fine traditions of Lodge. With him as the candidate there educational frame. Colleges can not the past, if it is to keep the faith with could be a real referendum on the treaty flourish with inadequate schools to presuch as Mr. Wilson would like to have. cede them ; nor schools respect a univer sity which is not abreast of the times

There is only one certainty at the

present time, and that is that the party **B**^{UT} there are immediate problems at the University which claim imleaders will seek to agree on a candidate who can be elected. The results of the phia is a tradition loving and honoring city. It surely is not going to let the tradition of its militia pass. mediate will not help them very much in formation of its militia pass. mediate attention, and in the Gowns-tradition of its militia pass. states will not help them very much in lie interest because the University of forming an opinion, because so few Pennsylvania is an institution which be longs essentially to the people. And voters go to the polls. And they know too much about state preferences to be first and foremost. Pennsylvania has seriously influenced by them. A half outgrown its present "plant." There dozen favorite sons will be named, backed | are 10,000 students where 8000 would by instructed delegations from their states. But favorite sons, as Governor Sproul has indicated, are merely trad-ing posts around which dickets are for ing posts around which dickets are to are not sufficient be made in the convention.

From one point of view this is not ugratifying. Nothing succeeds like If the great mass of Republican toters ungratifying. L mon sense and the ability to see a wish the nomination of Hower, the success; and Pennsylvania is successful joke is going to be highly entertained party leaders will know it works before because she deserves it. But continued during the next few months. He will the convention meets. They cannot be overcrowding is not conducive to the be an appreciative spectator of comedy fooled by propaganda in favor of any continuance of success, and it is well to one, because they are too old at the pause, at times, to consider whether this verting feature of the whole show will game-and have played it themselves too growth is wholly sound and proportion-

The Gownsman could wish that no But until adjustment comes be-the number of applicants and tween actual physical limitations, some modus vivendi must be found.

> Now there are three ways in which to limit numbers. Fix your limit and take the first who come; this is democratic but unselective. Secondly, raise your fees: this is selective but undemocratic. Third, plek the best: Nancy W ynne Attends the Opera-She Chats About a Number undemocratic. Third, pick the best; and this is alone the process which is alike just and in the soirit of American institutions.

There is something to be said for the tache of a convention made up of dele-gates voted by a group of bosses "with out regard to the popular will." A boss which is printed for the first time in the to them on the party's brim was a boss "PUBLIC LEDGER today, is that we But the system of certification, now
