Attractive Program at Ice Palace-Noted Amateurs to Compete-Rare Events Planned

Philadelphia is to have its first iceskating carnival. It is to be given for the benefit of a most deserving charity. The time is Monday night and the place the Philadelphia Auditorium and Ice Palace, Forty-fifth and Market streets. The entire receipts are to be given the Reed Street Neighborhood House. At no ice carnival in this country, perhaps with the exception of the famous carnivals in Windsor square, Montreal, has there been such a wealth of talent. The capacity of the auditorium should be taxed, for a rare treat is in store for those who are fortunate to get seats. Mrs. Charles S. Cheston. 1502
