National Conference on Community Organization Meets at Washington

MORE ACTION IS URGED MEMORIALS TO OUR DEAD

By the Associated Press Washington, March 20 .- Development of a more thoughtful and interest-ed citizenship and the translation of crystallized public sentiment into action are the two needs of grave import con-fronting the nation at this time, Frank-lin K. Lane, former secretary of the interior, declared in a paper read today at the opening session here of the national conference on community organi-

Mr. Lane said his interest in community organization arose from his con-viction that it would help to solve both of these problems.

draw the newcomer into our common report to the American Forestry Asso-life and to make him an active partner ciation Ambassador Jusserand said: in all of our undertakings. "But above all else, the community

organization movement tends to break down group lines and to bring the peo-ple together as citizens and neighbors for the consideration and action regarding their needs. exted citizenship and more intelligent decisions regarding public questions must reflect themselves in better government.

'We need as a people to emphasize the common interests which bind us totional life. Let us recognize them all-economic, social, political, racial, whatever they may be-let us examine them, weigh them, and find solutions for them, But let us also remember that after all we are human beings embarked all to cether on a great adventure—the most inspiring, the most spiritual adventure man ever dared—the search for a Celebrates War Work on Site of

G. O. P. Ranks at Minneapolis Split years ago anniversary services in honor Minneapolis, March 20.—The Tenth of the army's work were held this aftdistrict Republican convention here after a turbulent factional fight, broke The historic spot is shown by a stone after a turbulent factional fight, broke into two conventions yesterday. One faction favorable to the candidacy of Senator Hiram W. Johnston, elected two uninstructed delegates to the national convention, whereupon the delegates upporting Leonard Wood withdraw and formed a senarate organism. The anniversary rally will be held in the Salvation Army auditorium at 2 gates supporting Leonard Wood with-drew and formed a separate organiza-

American Forestry Association Sends Seeds to Reforest War-**Blasted Areas**

Washington, March 20 .- On the bat-

tlefields where American soldiers gave their lives when the call of humanity came, France is planting American trees sent by the American Forestry Association.

Expressing the gratitude of the minister of agriculture of France, Ambas-American Forestry Association the first steps taken to care for the seeds which the association shipped to France from Latin quarter of Parls. sador Jusserand today reported to the Boston, January 15 to help in reforest-'The movement has many phases," ing the battle areas. Upon arriving at he said. "It lies, for instance, at the very root of a proper Americanization, for the essence of Americanization is for the essence of Americanization is not merely to teach English, but to Nogent sur Vernission, Loiret. In his THE DARK MIRROR. By Louis Joseph Vance. New York: Doubleday, Page

"Most of the seeds of Douglas fir will be sent to the department of the Aisne, Ardennes and Somme for the zation movement tends to break group lines and to bring the peogether as citizens and neighbors e consideration and action regether needs.
