

# URGE CITIZENSHIP FOR ALL IN LEGION

### Committee Formed to Make Former Service Men's Body 100 Per Cent American

### STEWART WILL LEAD WORK

One hundred per cent Americanism for all legionnaires will be the slogan of the committee on Americanization of the American Legion in Philadelphia county, announced today by the county chairman.

This committee consists of George S. Stewart, Jr., chairman, Post No. 20; Benjamin Golder, Post No. 37; member of the State Legislature; George E. Lippincott, Henry H. Houston Post No. 3, of Germantown; R. R. Hogan, Thomas Roberts Reath Marine Post No. 184; Raymond C. Shaw, Post No. 185; William Jamieson, Post No. 320; Robert A. Nelson, Post 189; H. H. Van Zant, Post No. 315; and John A. Toomer, Post No. 205.

Chairman Stewart said today: "The charities and welfare bureau of the Philadelphia Chamber of Commerce has consented to furnish this committee with a survey of the various established organizations and to point out the needs of these organizations which the members of the American Legion can supply. "Due to the variety of activities of these organizations, it will be possible for the Legion to place the right man or woman in the appropriate field."

Would Suspend Some Prince-Ford Post, No. 7, adopted a resolution favoring an amendment to the national constitution, providing that all aliens not naturalized by Armistice Day, November 11, 1920, be suspended from the American Legion in order to be consistent with 100 per cent Americanism requirements.

A resolution supporting the bill extending the statute of limitations six years from the date of declaration of peace by the President was also adopted. This bill gives the government authorities needed time in which to bring draft evaders and offenders against the draft laws to justice.

The post adopted a short ceremony to be conducted at the end of each meeting in honor of their comrades who died in the service. Just prior to adjourning the commander will sound three raps of the gavel and the post will stand at attention; after a minute of silence the commander will sound one rap of the gavel when the meeting will adjourn. Arrangements have been made to render honors on Memorial Day to the members of the post who have died.

Meetings are being held every Thursday during March and April at Kingessing Recreation Center, Fiftieth street and Chester avenue.

Provide Medical Aid Service men in need of medical aid will receive proper attention as a result of plans made by the Legion. Each post in the state has been directed to obtain a list of disabled or ill service men and obtain medical aid for them without delay. The work is being directed by the state committee on disabled soldiers and medical aid, of which Dr. E. H. Krumbhaar, of Chestnut Hill, is chairman.

### Swarthmore to Hear Hoover

Herbert Hoover has accepted an invitation to address the graduating class in Swarthmore, June 7, it was announced yesterday by the college authorities. Mr. Hoover's grandparents were Friends and his entrance examinations when he applied for admission to his alma mater, Stanford University, in 1891, were given by President Swain, of Swarthmore, who was then professor of mathematics at Stanford.

### Woman Stricken on Car Dies

Suffering an attack of acute indigestion while on a street car at Twenty-fourth street and Fairmount avenue yesterday afternoon, Mrs. Mary Megrany, 1724 Jagersoll street, died before medical aid could be given her.

### Mail Truck Catches Fire

A mail truck caught fire shortly before 6 o'clock this morning at Third and Market streets. An alarm was sent in and the flames were quickly extinguished.

**Adelaide Crapsey Frocks for Little Folks**

You really must not fail to see our exclusive little hand-made frocks, fashioned by Adelaide Crapsey and her devoted helpers, for kiddies from two to ten years. Adelaide Crapsey, a lover of children, began making the dresses for charity, but so lovely were they and so "different" that the rich grew envious and came a-knocking and beseeching at her kindly door. Thus it was that a generous thought grew into a prosperous business, though Adelaide Crapsey still lovingly inspects and packs every frock which bears her name. Nor is she mercenary, all her goods are most reasonably priced and we take pride in the fact we are the exclusive agents for Philadelphia.

A new model just received is of imported dotted swiss in blue, pink, yellow, open or green, having white lawn guimp with plaited collar and cuffs.

Sizes 3 to 5 years, 10.75; 6 to 10 years, 12.75.
