A FOUR-YEAR PROGRAM FOR PHILADELPHIA

Things on which the people expect te new administration to concentrate the new adminits attention: The Delaware river bridge. A drydock big enough to accommo-date the largest ships.

Development of the rapid transit system. A convention hall. A building for the Free Library. An Art Museum. Enlargement of the water supply. Homes to accommodate the popula

SEEKING A WAY OUT

MAYOR MOORE'S conference wit' trust company presidents today is planned to interest them in providing done the capital to finance building opera-

Builders cannot put up houses without money. The banks and trust companies are reluctant to tie up a large part of their resources in real estate mortgages for the reason that such securities are not quick assets.

Present conditions, however, justify temporary modification of old financial practices. There is money enough here to build all the houses that we And there are tenants for as many houses as can be erected for a long time to come. Under these circumstances building ceases to be speculative, for there is virtually no risk in As soon as the houses are ready occupancy they will be occupied if

HOW DOES IT STRIKE YOU? Types of Democracy Vary With the Years and Lloyd George Has Chosen His **Own** Brand

When I was a young girl, remarks a character in a recent book, democ-racy meant the Liberal majority, and was chiefly mentioned in the House of Lords. Then the Labor party dis-covered the word and it came to mean the poor. Now it stands for any-thing which any speaker likes and agrees with. If we had come in, we should have been triumphant democracy ; as it is we are effete aristocrats whom the democrats of Carlton House Terrace and Eccleston Square are going to slay.

TT IS one of this kind of democracy I that Mr. Lloyd George represents in his new National Democratic party. Nobody lost anything by t' + daylightsaving system and everybody gained. Nothing but an organized effort is needed to restore the hour of afternoon leisure that used to seem as if it had THE NATION'S CLOCK needed to restore the hour of afternoon
