Sixteen Posts at Second District Dinner Plan Drive to Start April 17

OTHERS TO TAKE ACTION

Action toward organizing the members of the American Legion in Philadelphia county from March 17 to May 2 was taken last night by the sixteen posts of the Second district at a dinner in the Lorraine Hotel, Broad street and Fairmount avenue.

Committees representing each of the posts were appointed and a plan of cooperation was determined upon. These posts represent the central district and are among the largest in Philadelphia. District Chairman R. R. Hogan presided. The conference was addressed by Thomas F. Meehan and others.

Three other districts have decided to hold membership conferences: Third district, at the City Club, March 31, at 6:30 o'clock—H. N. Schwartz is district chairman; First district, of which Frank W. Melvin is chairman, at the City Club, April 1, at 6:30 o'clock, and the Seventh district, of which William O. Muench, Jr., is chairman, at the

Asks Nickel for Each Fare
George L. Estabrook, of New York, suggested to Baptists yesterday that all members of this denomination put a nickel into the \$3,000,000 campaign of the church every time they ride on a trolley car. COFFEE WEEK

March 29 to April 3

THIS week, while grocers of the entire United States are devoting themselves to special displays of Coffee, it is highly desirable that the readers of this paper consider a few facts in regard to this most popular of all beverages.

This country drinks nearly one-half of all the Coffee grown in the world. And the American appetite for Coffee is constantly growing.

In the last six months of 1919 we Americans drank three billion more cups of coffee than we drank in the same period of 1918.

This liking for coffee by Americans is easily understood.

America is an active, virile nation.

As a nation we require food that sustains body and brain at high efficiency.

Coffee is pleasing to the palate, but it is also refreshing and invigorating. It supplies strength and staying power. It stimulates the brain and relieves fatigue of mind and muscle. It helps men and women to endure exposure and withstand hard work.

Let Coffee be your everyday drink. Drink Coffee because it is nourishing. Drink it because it lightens fatigue, sustains energy and aids digestion. Drink Coffee because it is satisfying and healthful.

Make Coffee Week the occasion for an intimate Coffee-chat with your grocer. He will see that you are suited absolutely on Coffee.

This is why Boscul Coffee is so wonderfully good

Before we steel-cut Boscul Coffee we crack open the whole berry (or bean, as it is sometimes called) and remove the worthless bitter chaff by an improved process which leaves only the good part of the berry in its full strength and purity for your morning cup

This is why Boscul Coffee has a fascinating flavor all its own. This is why it is rich but not bitter, why it is a truly healthful invigorant for body and mind, and truly economical because it gives you full coffee-value for your money.

Ask your grocer for Boscul Blend today. Insist on proving its rare quality for yourself. Do not be satisfied until you try it.

In tins and sealed cartons only. Never in bulk.
