FARM AND GARDEN

Buy Trees That Give Immediate Shade

OU can buy trees from the Keystone Nurseries that are large enough to give immediate shade. You don't have to wait for them to grow up. They work for you from the day you plant them. These are strong, rugged trees, grown in the world's richest agricultural county.

We can fill and ship at once orders for trees to border entire streets, or for large estates. The same prompt attention given to orders for small lots or single trees.

We have a complete stock to choose from. Norway Maples—sizes from 8 or 10 feet to big trees giving immediate shade. Four inch caliper Elms; American Lindens; Pin Oaks. A large variety of shrubs. Evergreens-including Koster's Blue Spruce and Oriental Spruce.

Our Landscape Architectural Department is at your service for suggestions. Write for descriptive and well illustrated catalog. We will send it free and postpaid by return mail.
