PERMIT NO. 841
Authorized by the act of October 6,
1917, on file at the Postoffice of Philadelphia, Pa.
A. S. BURLESON,
Postmaster General.

Roma, 31 marzo.—La Camera dei Deputati, nel pomeriggio di ieri, ha dato il voto di fiducia al Gabinetto Nitti con voti 250 favorevoli e 195 contrari.

Papa Benedetto ha ricevuto una risposta da Herbert Hoover, circa la lettera che il Pontefice inviò al predetto a mezzo del Cardinale Gibbons, relativamente al lavoro di soccorso tra i bambini dell'Europa Centrale. Mr. Hoover esprime la sua ammirazione per il lavoro di carità costantemente fatto dal Papa e dice di aver fiducia che l'appoggio di Sua Santità al movimento, darà ottimi risultati.

Londra, 30 marzo.—Secondo un dispaccio qui giunto, il Pomeriggio d'Annamaria ha pubblicato un manifesto nel quale deplora che i suoi ufficiali abbiano permesso la pubblicazione di foglietti che urgevano la proclamazione di una repubblica. Si attende che ciò provochi il risentimento del popolo il quale sarebbe stanco del governo arbitriale di D'Annunzio e perché questi avrebbe imprigionato più di un migliaio di suoi oppositori.

Trieste, 31 marzo.—I passaporti americani posseduti da Henry Furst, uno dei segretari di D'Annunzio, sono stati cancellati dal Consolato Americano in questa città, in seguito ad informazioni pervenute a Washington. Il Furst è stato a New York ed ottiene i passaporti dal Dipartimento di Stato dietro dichiarazione che si recava in Italia a scopo di studio.

To be sure that Philadelphia missed no world-wide thing, we have Paris gowns even later than those of the recent opening.

Men's Spring Clothing of Character

Avoid the wishy-washy.
Avoid "wooden clothes"—fashioned by the unartistic.
Your clothing should

- 1st. Be expressive of you.
- 2d. Look a part of you.
- 3d. Be unnoticeable because suited to you.
- 4th. Bear scrutiny because of correct stuffs, correctly tailored.

This is Herringbone Year

Worsted fabric, wool velour, worsted cheviot, tweed and even the flannel family have been given the herringbone weave.

And herringbone despite the color, which is blue, green, brown, black-and-white or heather and two-tones galore.

This, too, is a Year of Silk Stripes

Worsts, flannels, velours—many of them glorified by streaks or stripes of silk threads. And cousins to the stripes are the checks, plaids and over-plaids—shepherd checks, gun club checks; Glen Urquhart checks, which really is an over-plaid—checks on checks.

This is a Year of Plain Colors

Blues, browns, greens and every variant, even to pastelle shades.

Which means that there are several paths for Fashion or the Vogue—these three chiefly leading to the heights of good form.

Choose with safety between single- and double-breasted—and one-, two- and three-button models.

And choose from any group you will, you will be sure of correctness.

Men's Suits, \$29 to \$84

Kuppenheimer, Society Brand and Associated Makes
Modern service has done something else, too—it has produced very many variations of suit sizes (88), as in shoes. One doesn't have a shoe "busheled" to fit—but selects one that does fit.

That is our idea on men's clothes—a fit from an established size, requiring no alterations, for they are so apt to distort the hang of the garment or the matching of the design of fabric at seams.

Men's Spring Overcoats, \$29 to \$84

Foreign—London-built, rain-proofed, \$40, \$45 and up to \$84.

American, including Kuppenheimer and Society Brand, \$32.50 to \$65.

The London garments are largely in herringbone Scotch tweeds—regular and sports models, and Duffle—light-weight "lofty" fabric in plain colors.

The American garments are of herringbone weaves in all sorts of colors; whipcords and coverts, the latter in olives, tans and browns.

And in wool velours and Laverton twills in the higher colors, even two-tone.

The triumph of the Society Brand line is the Hudder knitted-fabric Overcoat—of course rain-proofed—as the very fabric is proof against mousing and wrinkling. Another production in this knitted-fabric at \$40.

Gabardines are raincoats plus—for they can smile with the sun. English fabric, \$25 to \$56.

Men's Easter Shirts, \$2.45

—which means a saving of a third

Good-looking and good-wearing madras—bought before prices beat the Martian-shooting rockets to the sky.

Cut and made to Gimbel standard Right!—nothing to excuse or apologize for.

All sizes from 14 to 17, soft cuffs.

Stock up!—vests will soon be coming off and shirts show more then. But now, as then, stylish shirts are worth while.
