

# LE DICHIARAZIONI DI NITTI ALLA CAMERA

## Il Gabinetto Riceve un Voto di Fiducia con una Maggioranza di 55 Voti

Published and Distributed Under Authority of the act of October 6, 1917, on file at the Postoffice of Philadelphia, Pa.

Roma, 31 marzo.—In seguito alla discussione della politica generale del governo, la Camera approvava un ordine del giorno presentato dal deputato Carboni, esprimendo fiducia al Ministero, con voti 50 favorevoli e 105 contrari.

Prima che si procedesse alla votazione il Presidente del Consiglio pronunciò un discorso di replica ai vari oratori. Egli disse di essere lontano dai colleghi socialisti, ma del pari molto lontano da coloro che vorrebbero una politica reazionaria, mediante l'applicazione delle leggi in maniera rigorosa e provocante.

Parlando della Conferenza della Pace a Parigi disse che l'Italia si era ispirata ai più onesti sentimenti di pace e si dichiarò fiero di poter pro-

clamare che l'Italia è il paese più democratico del mondo, ove si possa più liberamente in qualsiasi altra nazione. Circa la questione orientale disse che l'Italia non ha alcuna intenzione di annettere territori ottomani, ne' andrò a Costantinopoli quale vassalla dell'Inghilterra, ma vi andrò per difendere la libertà del Dardanelli, indispensabile per il commercio con la Russia meridionale.

Per l'invio della corazzata "Roma" nelle acque dell'America del Sud, dichiarò essere assurdo che ciò rappresenti una dimostrazione monarchica, poiché la nave vi si recerà per soddisfare al desiderio espresso da quelle colonie italiane, che in essa sentono più stretti i rapporti con quell'Italia la cui immagine è sempre viva nel loro pensiero.

Il discorso di chiusura dell'On. Nitti fu salutato da applausi vivissimi di tutta la Camera, ad eccezione dei socialisti.

Japanese Labor to Observe May Day  
Tokio, April 1.—(By A. P.)—Labor organizations in Tokio are considering plans for jointly observing May Day. This will be the first occasion of its kind in the history of Japan, and leaders expect to carry out a gigantic demonstration to make known their grievances and wishes. The slogan of the day will be "universal suffrage," and if the suffrage bill passes the Diet, the establishment of an eight-hour day and the inauguration of labor laws.

# DENMARK STRIKE MAY BE SETTLED

## Socialists Allow Time to Talk Over Compromise Before Walkout's Date

By the Associated Press  
London, April 1.—Postponement of the Danish strike until next Tuesday

shown, according to a dispatch to the London Times from Copenhagen, that the Socialists are willing to give the influential persons who they know are working for a compromise time to effect a settlement, and that the strike will not take place if the situation changes. In the meantime, anyway, Denmark is to have a quiet Easter.

Locomotive Sparks Start Fires  
Carlisle, Pa., April 1.—Several small mountain fires started Tuesday by sparks from railroad locomotives passing through the mountains south of Carlisle have extended in both easterly and westerly directions with a southern trend. Several thousand acres have been covered, though in some sections only the early growths have been burned. The losses are not large.

### April Records at Hepppe's Today

This morning the April List of the Victrola Records goes on sale. We invite all Victor patrons to visit our store and hear them.

The list this month is the best that has been released in many months. Every number seems to be particularly fine. There are excellent Red Seal records by Caruso, Kreisler, Heifetz, Farrar, and De Luca, Schumann-Heink, Alda, Werrenrath and McCormack. The dance records are excellent and the popular songs are remarkably fine.

If you do not have a Victrola, we offer certain outfits composed of a Victrola and a group of records. You may settle by cash or charge account, or by our rental payment plan. Call or write for full particulars.
