Sir John Lubbock and the author of "Pollyanna."

These are unquestionable sources of advice so fervently on the back of those programs of the plaza band concerts last to move back in the trolley car.

There are times, however, when the antire in Mr. Gilbert's assumption to the effect that "the law : the embodi ment of everything that's excellent" evaporates. Certainly this is true when daylight saving is considered. Congressional folly pulverized a sensible and ficient legal instrument.

There is nothing left now but the precipitous pavement of good intentions.
