QUIMET WILL NOT PLAY IN ENGLAND

North and South Champion Decides to Enter but One Big Meet This Year

By SANDY McNBILLICK. Pinehurst, N. C., April 7.—Francis Quimet, who is the amateur golf champion of the North and South, states today his golf plans for the coming year.

Quimet came to Pinehurst primarily to recuperate in his health, which was severely threatened at the amateur last year in Pittsburgh. Since then the Boston star has had a severe toboggan accident and a week's bad session with the flu.

"I never felt better in my life," Quimet stated today, "and all this warm weather and eighteen holes of golf a day have done me a lot of good."

He feels now that he ought to take it easy for another season. Quimet does not look as heavy as he was, but otherwise he appears in the pink of condition.

His game certainly is in the pink of condition also. Sam Graham, Greenwich expert, who was triumphed yesterday over a thirty-six-hole route in the North and South amateur final, will testify to that.

Quimet stated today, "and all this warm weather and eighteen holes of golf a day have done me a lot of good."

Albany, N. Y., April 7.—The fate of the Walker boxing bill, which now is in the rules committee of the Assembly, will be known today.
