Thieves Smash Window With
Brick and Steal Silk Shirts
and Neckties

LOOT IS VALUED AT \$300

Throwing a brick through a display
window in the men's furnishing shop
of Scott & Hunsicker, Thirteenth street
below Chestnut, early this morning,
thieves escaped unmolested with \$300
worth of merchandise.

The robbery was discovered at 6:30
o'clock by Patrolman Williams, of the
Fifteenth and Locust streets station.
The window, valued at \$200, was badly
shattered and the brick lay in the center
of the ransacked display.

The patrolman said he had passed the
shop at 5 o'clock, and found everything
all right.

It is believed two men committed the
robbery. They took only the best silk
shirts, neckties and gloves. Neighbors
say they did not hear the noise of the
breaking window, and it is believed the
thieves threw the brick while a trolley
car was passing.

PREFERS WARMTH TO U. S.

Stowaway Has an Opportunity to
Escape, but Refuses

Florenco Chens lacks the ruggedness
of his hardy forbears, for he preferred
to remain in a warm room on the Brit-
ish steamship *Gloria de Larringa*, rather
than escape with two other stowaways,
who faced the cold wind that swept the
deck yesterday.

He boarded the ship at Manchester
and, after being discovered, was put
to work for his board. When the ship
neared the Oregon avenue dock, the
three stowaways were locked in a room.
The other two fled the lock on the
door and escaped. Larringa told an in-
terpreter he preferred deportation to
facing the cold winds. He was taken to
the immigration station and will be
sent back.
