This Is Your Day, Mr. Executive

NDOUBTEDLY you have found in business that when any one is anxious to see you, Mr. Executive, it is not for the purpose of giving you anything! We are going to cite the one exception to the rule.

We Are Anxious to See You

And we are going to give you something that will help you many steps nearer the success you're striving for. Only you have to come for it. It would take several trucks to bring it to you.

Two Hours vs. Two Months

The information, the insight, the independence you will acquire by a two-hour visit to the National Business Show at the First Regiment Armory today will be much greater than if you should give months of your valuable time to individual visiting from plant to plant.

You Are the Boss

That you may do this in comfort, without crowding, Wednesday and Friday afternoons of this week, from 1 to 6, have been set aside for executives only.

Do Not Refuse

This invitation is sincere and marked "R. S. V. P." It is the one time when people are very anxious to see you for the purpose of giving you something you can use to advantage.
