

PRINCETON RALLIES TO HOOVER CLUBS

Faculty, Students and Towns-people Join in Support of Former Food Chief

HE DEFENDS PRICE-FIXING

Princeton, N. J., April 23.—President Wilson's home town is apparently in favor of Herbert Hoover for the next President of the United States. If the sentiment to date can be taken as a criterion, Mr. Hoover got the jump on the other aspirants for office here last night, when a mass-meeting of his interest was staged by the combined Hoover Clubs of Princeton. The meeting was the first political rally of the year and was attended by 500 persons.

The principal speakers were Frank H. Hackett, of the Riverside Country School of New York, and Dr. J. Duncan Smith, of the university faculty. Mr. Hackett spoke of the necessity of changing administration, while Doctor Smith took as his theme the realism and efficiency of Mr. Hoover and his qualifications.

Saturday Evening Post, acted as chairman. This town of 4000 inhabitants supports four distinct Hoover clubs, one for the faculty of the university; one for the undergraduates; one for the men, and one for the women of the town. Prof. Philip Marshall Brown and Doctor Smith have charge of the faculty club and R. Crosswell, R. Dulles, A. Seabrick, R. F. Purdy and R. T. Sherman comprise the undergraduate committee. The men of the town are under the guidance of Mr. Eldridge, while the women's committee consists of Mrs. Alan Marquard, Mrs. Christian Gauss, Mrs. Area Barden, Mrs. M. E. Lavake, Mrs. Alfred Mayor and Miss Edith Croll. All together there are about 600 Hoover backers in Princeton.

Posed as Sleuth. Charge. E. Frank Kennerly, who federal authorities charge with impersonating a government officer in attempting to obtain certain information from the Pittsburgh and Lake Erie Railroad Co., regarding the "outlaw" strike, was remanded to prison in default of \$2000 bail. Kennerly, who claims to be a Philadelphian and says he is held superintendent for the Railway and Industrial Protective Association, was arrested in Pittsburgh yesterday on a federal warrant and given a hearing before a United States commissioner there.

MOB TRIES TO GET ALLEGED SLAYER

Would-Be Lynchers Repulsed by Indianapolis Police—Fifteen Arrested

ACCUSED NEGRO ON TRIAL

By the Associated Press. Indianapolis, April 23.—Indianapolis was quiet today following riotous scenes last night, when the police dispersed a mob of more than 2000 persons bent upon lynching William Ray, colored, who is alleged to have confessed to the murder of Martha Hoff, a young white girl. One person was wounded in an exchange of shots in the vicinity of the Marion county jail, where Ray is confined. The police made fifteen arrests. Chief of Police Kinney is holding the entire police force of the city in readiness for possible further demonstrations.

Leon Harris, colored, aged nineteen, was shot in the neck and in the left leg while running from a crowd of men through the heart of the business district of the city. He was taken to the city hospital and his condition is not believed to be serious. John J. Gray, thirty-seven years old, of Louisville, Ky., was arrested on charges of carrying concealed weapons and shooting within the city limits. Ten shots were fired by the mob. Fifteen men were arrested on charges of disorderly conduct and inciting a riot. All except one of the latter, Ennis Wayne, of Detroit, live in Indianapolis. The last mob was dispersed about midnight. Ray was arrested late Wednesday night and is said to have signed a written confession of the crime committed Monday night. Thursday afternoon, in a second statement, he admitted, the police say, that he stabbed the girl when she screamed and fought him as he started to assault her a second time. He is alleged to have driven a pen-knife into her throat, striped her of clothing and threw the body into the swollen waters of a creek. Ray entered a plea of guilty when arraigned in city court yesterday. He was held to the grand jury without bond on a charge of murder. Prosecuting Attorney Claris Adams said last night that he planned to expedite the trial. The grand jury will be called to consider the case today.

Asbestos Repels Heat

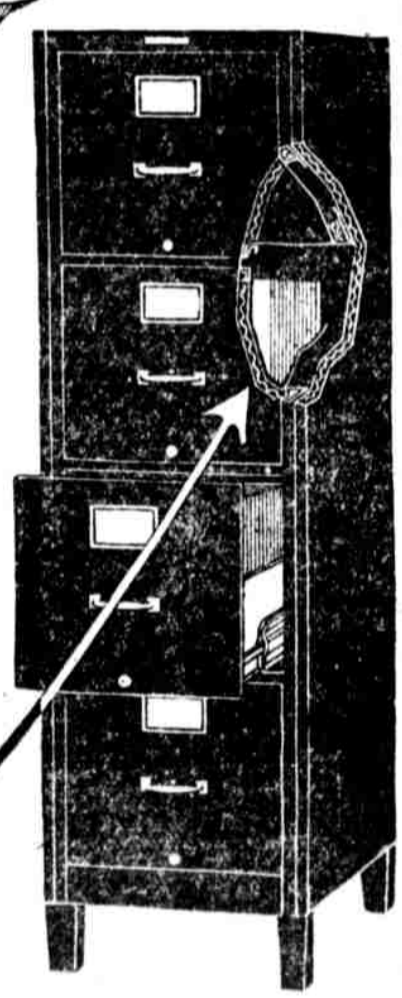

(Use asbestos-lined filing cabinets—"Y & E")

MOST theatre fires start back of the foot-lights.

And as soon as they start, down comes the curtain of asbestos, cutting off the flames from the audience.

What the asbestos curtain does in a theatre, the asbestos interlinings of

"Y and E" FIRE-WALL STEEL FILING CABINETS accomplish for your records and letters, contracts, cards and orders. It is an ever-present curtain of protection. "Y and E" are the only cabinets built with double walls and asbestos interlined, like safes. Due to the asbestos, dead air and double walls—the Fire-Wall Construction, "Y and E" Fire-Wall Steel Cabinets are three times as resistant to fire and heat as any plain-walled cabinet made.

Cost no more Since these better cabinets cost no more, why not get them? Your records and letters, your contracts and orders will be many times safer. One fire would convince you; why wait for a fire? See these steel-wall cabinets, as well as a most interesting exhibit of "Y and E" systems and equipment, at the Business Show this week. Last Call for Valuable Information

TOMORROW is the last day of the National Business Show at the First Regiment Armory. There are many business men and women in the City of Philadelphia who have not found time to visit it. This paragraph is addressed to them.

"It is unwise to let this fund of valuable information escape you. Make a determined effort to spend at least an hour at the Show, either today or tomorrow. When you have seen what there is to see and heard what there is to hear, you will realize that, had you missed it, you would have been the loser."

The manufacturers of the highest-grade office machines, equipment, labor-saving devices and systems existent today are represented. They have gone to endless trouble and expense in bringing their great experts to Philadelphia for the enlightenment of the business men. In appreciation of the great service they are rendering, as well as in justice to yourself, visit the Show today or tomorrow.
