**WITH FINGERS!
CORNS LIFT OUT**

Costs few cents! Doesn't hurt a bit! Drop a little Freezone on that touchy corn, instantly that corn stops hurting, then you lift it right out, with the fingers. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. Your druggist has Freezone. Edward Wesley Co., Cincinnati, O.
