

THE STREETS OF LIFE

By HAZEL DEYO BATCHELOR

Anne Falls in Love

Hereditarily an orphan, which to some extent is a disadvantage...

IT MADE Anne feel more than ever like an enchanted princess...

Gerardine's women friends liked to drop in and chat to the girl...

"It didn't hurt a bit" was the motto of the modern method of painless extraction of teeth...

Ma says - whenever she wants me to hurry back from the grocery store she heads the list with

Post Toasties

Clear your complexion with Resinol. You owe it to yourself to keep your skin clear, radiant and healthy...

TEMPLE UNIVERSITY Is Philadelphia's College

In 36 years it has educated 100,000 young men and women. Its present student body is 6700.

Temple University Broad Street Below Berks, Philadelphia. I will pay \$100 a year for a period of 10 years to the new building fund of Temple University.

beginning to look dingy. Table covers of velvet or tapestry assume a stuffy appearance.

(Tomorrow, a Sudden Death.)

Adventures With a Purse

THE new bracelets are made likewise. They are of a silver-finish material, and consist of flexible links, similar to those in the well-known watch bracelets.

And now, of course, every prudent woman is beginning to plan the summer dresses for her house. Pillows are beginning to look dingy.

It was this warning constantly going on in Anne's nature that gave her a certain mystery to Gray.

"We must make other arrangements," she said, decisively. "I can't have you."

MORE—much more—than the goods themselves comes to you when you order from us.

For a factory or warehouse truck, a gasoline or oil engine, or a valve for water, steam or air, you can come to us with certainty of satisfaction.
