them more, choose the Chandler. They are not seekers after a low price. They lesire the best 6-cylinder motor regardess of price. They desire a six because time has shown that a 6-cylinder motor correctly designed, gives all the power and all the flexibility that any motor cap give; that such a motor has the life and snap and "go" they desire; that such a motor is genuinely economical t cost of operation.

Our used Chandlers, which are the
