A trunk full of kind words.

can't tell the news about
Camels like your taste will!

WHAT you like most in a cigarette you'll find in Camels along with the greatest lot of joyous qualities any smoker ever yearned for! Camels are so refreshing in flavor, so delightful in mellow-mildness, so smooth, yet so full bodied, you'll confirm the national verdict that *Camels are a cigarette revelation!*

Money won't buy greater cigarette enjoyment than Camels hand out so lavishly! *Because* Camels quality and Camels expert blend of choice Turkish and choice Domestic tobaccos make the most wonderful combination ever put into a cigarette! Prove that by comparing Camels with any cigarette in the world at any price!

Camels blend will so greatly appeal to you that you'll prefer it to either kind of tobacco smoked straight! And, you'll find that no matter how liberally you smoke Camels they will not tire your taste!

And, another unique feature about Camels—they never leave any unpleasant cigarette aftertaste or unpleasant cigarette odor!

You can easily prove out any or all the good things you hear spoken about Camels! And, you'll quickly realize that you prefer Camels quality and Camels blend to any premiums, coupons or gifts you ever heard tell of!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.
