Says Nation Must Act

"The problem is too large for in-dividual effort," said Mr. Wadsworth.

"It must be handled by a nation. The United States seems to be the only na-

tion in the world with the money and

raw materials necessary."

Mr. Wadsworth pointed out that in the discussions of methods of rehabilitating this part of Europe sight has been

lost of the fact that the Peace Conference broke up this territory into nu-

merous small states. The icalousies and
