Confidence and Oil

When a civil engineer builds a bridge, the public never hesitates to cross it in a heavy train. It accepts his skill and education—but how about the oil for the motor of your car or truck? Science, through chemistry and engineering has given you the right lubricant in

ATLANTIC Motor Oils

They are the results of skill and education, at work in the laboratory. Add to this skill and knowledge, hard tests and exhaustive study of these products *at work* before the public is asked to buy. Doesn't this indicate that this great organization knows how to produce the right oils for proper lubrication? You'll get that if you'll ask the Atlantic dealer for Atlantic Medium or Atlantic Polarine.
