London, May 24 .- The Milan Corrier Della Sera and Secole agree in antici-pating that the new Italian cabinet will at least achieve a settlement of the Adriatic question, says the London Times correspondent. It is expected that Foreign Minister

Scialoia will invite Anton Trumbitch, the Jugo-Slav foreign minister, and N. P. Pachitch, former Serbian premier, resume immediately direct negotia

Meanwhile, more troubles have broken out in the northeastern provinces of Italy, according to Milan advices to the Times. In Carnia the unemployed set up a soviet government which, however, lasted only a day, the troops re-establishing order. But as a protest a general strike was declared in the whole of Carnia and extended yesterday to Friuli. In Verona the general strike is ag-gravated by the solidarity of the rail-

The latest example of what the corre spondent calls the "strike mania" is prisoners refusing to work and demand-ing an eight hour day.

GREEK KING WEDS SECRETLY, IS REPORT

Morganatic Marriage Is Said to Be Culmination of Boyhood Romance

Paris, May 24 .- (By A. P. 1-King exander of Greece is reported here have been married morganitically to Mademoiselle Manos, daughter of a former aide de-camp to his father. King Constantine. The Greek legation in Paris has refused to confirm or deny the

said to have been the culminat boxheed friendship and occurred before he was in a direct line to the throne and while his chances for succeeding his

father appeared most remote.

The king and wife, who are living at the same hotel here, went resterday to Versuilles, where they binched to gether and visited the gardens.

Reports here impute the king's visit to l'aris to a desire on the part of Premier Venilzelos, of tivecce, for a separation of the king from his reputed morganistic wife, so that he may marry a princess of royal band. The king is said to have left Athens quite in accord with the premier's point of view, but is declared to have undergone a change of mind since his arrival here.

of mind since his arrival here.

The marriage coromony, it is asserted,
was performed by a priest of the Greek was performed by a priest of the trees. Church, but was not recorded with the metropolitan of Athens, the supreme ecclesiastic authority in Greece This is the explanation for the fact that no

HERRIES from Californiaare now at Henry R. Hallowell & esting models of this type at The Son's, Broad Street below Chestnut. It is really difficult to decide whether. From cool-looking dimity to sheer the great dark red cherries or the delicately tinted white ones are more crepe georgette, which, combined with pussy willow taffeta, lends ittempting. You may have them in self admirably to the tailored effect, one, two or five pound boxes. Cali- the various materials have fornia Cantaloupes have been ship-ped and should be here in a few pressed into service with delight-ful results. One model of striped days, and the Jersey Strawberries are here and are really fine. The hand-painted Gift-Baskets of Fruit look truly springlike with their delicious burdens. No wonder gifts high neck waist becoming, and will be interested in the good-lookastic welcomes. Hallowell's guar-antee perfect delivery of all of these Bryn Mawr," which combines from Philadelphia.

OU would have ice cream so much oftener if only it were dinner preparation instead of a cere-mony apart, as it so often is. With not he at all troublesome.

a suit that is comfortable and well-tailored. Good tailoring pumps, yet, I suppose you find it has a great deal to do with the difficult to secure a pair that pleases wearing quality of a suit. Take you in every respect, for patent the "Turole," for instance. This is a model sold by Jacob Reed's Sons, a model sold by Jacob Reed's Sons, 1424-26 Chestnut Street, in which the lapels are so constructed as to give a soft, rolling effect. A specially prepared and shrunken wool canyas is used in these lapels so that the cost will always have a soft was a way that they for their shoes seem to be made in the shoulders and the graceful lapels give it a particularly distinguished look. It is made in tweeds and cheviots, both practical materials for this time of year.

BEFORE you leave town for the summer it is wise to make certain that you have a well-stocked linen closet in your summer home. You will need towels, of course. I saw some linen huck towels of excel-

THERE are really so many interesting suggestions for wedding gifts in the silver department at the store of Bailey, Banks too, in the custom-tailored shirt.

HERRIES from California— larger and more luscious than any yet received this season— R EALLY, I had no bloom the tailormade bloom until I Blum Store, 1310 Chestnut Street. bosom. So many women find the delicious fruits to points 1000 miles crepe georgette with a cross-tucked vestee of taffeta, is very smart.

Y OU will find it a wise plan to visit the store of Fritz & La Rue, Inc., 1615 Chestnut Street, not so troublesome. How many before you leave town for the sum-have you said this? It was mer, for they have some very intimes have you said this? It was just this week at the store of J. Franklin Miller, 1612 Chestnut Street, that I discovered the Acme Freezer. It is a two-quart freezer, tage. The Japanese rush rugs are, Freezer. It is a two-quart irresort, tage. The superior good for the light in weight, and economical, for it does not require a great amount porch. They are closely woven and proch. They are closely woven and ice and salt, and it is the kind very durable. They come in natural of freezer that you can keep in the kitchen, instead of hiding it in the cellar. Really, there is no reason why the making of ice cream should the cretonne-bordered rugs, with their not be considered as part of the dainty floral designs, are very cool - looking. You may have them in green, rose, blue or lilac. mony apart, as it so often is. With a light, sanitary freezer in which the cream freezes in five minutes, the making of ice cream should well in the living-room.

7 OUR summer wardrobe is not OR every-day wear a man likes Y really complete without a pair of black patent leather the coat will always have a soft such a way that they fit snugly at appearance and will never break.

It is a two-button coat, with semifitted back. The even poising of
